

Community Gets Full Time Physical Director

SLANTS on SPORTS
By MARION BRIDGES

At last the softball league has a definite aim, it is sponsoring the full time athletic program for this community. This group could not have done a better piece of work in any other field than to appoint Coach C. E. Weatherby as full-time athletic supervisor.

The work was started Monday, and things are already beginning to take shape. The backstop is being painted an aluminum color to add to the attractiveness of the playing field and the announcer's booth will be included in this paint-up. It was announced by Coach Weatherby Monday that on the first call for youngsters to hold their organization meeting Monday, over seventy-five responded. This is a remarkable turnout, and shows that the younger boys of the community are interested, and it also shows that there has been a great need for such a program for young boys.

The boys organized having elected a president and other necessary officers and have a complete organization that is similar to the parent organization and are called the Junior Softball League and according to the directors there is now, at the beginning enough material for eight complete teams, and as the program advances it is expected that several more teams will be made up.

Mr. Weatherby expects to install a similar program among the girls of the community as soon as he gets the boys underway. The boys will take this week to organize their teams and get in as much practice as possible in preparation for the opening of competition playing the first of next week.

It is the plans of the directors to build an auxiliary diamond on the outside of the ball park for the junior league and not use the one inside unless it becomes necessary in order to take care of the increase that is expected in the ranks.

Another great need has been filled in the way of rest rooms for the spectators that attend the softball games. This has been taken care of in the junior high.

When questioned about the proposed tennis courts that are to be erected at the athletic field, there is little prospect for them this year, but next season it is hoped that they will be in operation. The project has been submitted to the WPA office but no definite action has been taken so far as could be learned.

It is expected that before long the junior league will be having games with the Canton sluggers in their class, and other sports will be slated to create a larger scope of competition.

Just a word to the parents that have youngsters around twelve years or over. If at all possible let them have an afternoon off from their duties around the house, ever-so-often and let them get in on this supervised play program that is underway. There will be

Hazelwood Drops To Cellar Position While Tryon Wins, 4 To 3

Bowling Alley In Pisgah Theatre Is Opened Monday

A bowling alley located in the Pisgah Theatre building was opened on Monday night with a capacity crowd on hand from the opening hour until midnight.

The building contains six regulation alleys. A number of changes have been made in the interior of the building in converting it from a theatre to a bowling alley. A substantial floor has been constructed over the sloping concrete floor of the theatre, and affords ample room for the alleys. At the entrance seats for about seventy-five persons have been arranged.

The operators of the alley, Leonard Dobran and Walker Yonce, who have leased the theatre from J. E. Massie, intend to make the sport a year around recreation here.

Mr. Dobran and Mr. Yonce are from Johnston, S. C., and are both former students at the University of South Carolina. They have had considerable experience in the operation of bowling alleys.

When asked why they chose Waynesville for the location of their business Mr. Dobran said: "Last summer we passed through Waynesville and we liked the looks of the place so much that we decided then to come here at some later date and establish an alley."

Fishing Rodeo At Norris Lake Will Start On Friday

Plans are virtually complete for the fourth annual Norris Lake Fishing Rodeo to be held on June 7, 8 and 9. From all indications this event will be the outstanding fishing tournament ever to be held in the southeastern states.

Although the 1939 rodeo was big, the 1940 one is due to be larger still. Already 132 prizes worth approximately \$1400 have been received from many important national and local firms.

Tickets are going well for this event and it is estimated that over 800 will be on hand for the three-day meet. The price of registration is \$1 and tickets may be secured by sending that amount, plus three cents postage, to L. L. Brannon, Norris, Tenn. Tickets must be secured by noon June 7 to be eligible for one of the grand prizes that are being offered in this event. A special out-of-state fishing license good for seven days' fishing may be secured upon arrival in Norris.

some good exercise and have a good moral effect besides their mingling with others.

If this program is to be a success the people of the community must co-operate with the director as well as the youngsters. Let's back the new endeavor 100 per cent.

Manufacturers Had Game Sewed Up Until 9th Inning, When Tryon Cut Loose

The Hazelwood Manufacturers had their game with Tryon here Saturday on ice until the first of the ninth, when the Polk County team sent two runs across the plate to take the game 4 to 3 and send the locals to the cellar in the league standings.

Tryon out-hit Hazelwood by 7 to 11, while the Manufacturers took high honors in errors made, getting 5 for their opponent's 3.

Putnam struck out 7 men, and allowed 1 on base on balls, while Tryon's hurler walked 3 and struck out 8.

Tryon:

Hazelwood Will Play Two Games Over Week-End

Over the week-end, Hazelwood baseball players will take on two strong rivals. On Saturday they play Ecusta at Brevard, for an Industrial league game.

On Sunday, the Hazelwood group will go to Clayton, Ga., to play the strong Georgia team there.

A game with Beacon Mills, at Beacon, is scheduled for Saturday, June 15th.

Industrial League STANDINGS

Team	W	L	Pct.
Enka	5	1	.833
Beacon Mills	5	1	.833
Ecusta	3	2	.600

Asheville Bakers Are Trounced By Manufacturers

Hazelwood ran away with the Asheville Bakers Sunday in a 16 to 5 score.

The local batters pounded out 19 hits for the afternoon, while the dough-mixers were getting 5, and making 4 errors, to Hazelwood's perfect fielding.

Hazelwood's hurler, Jones, pitched good ball throughout, striking out 11 batters. He gave up 3 walks and 2 hits in the 4th for 4 runs, and 2 bingles in the 6th which accounted for 1 run, but he settled down and held the Bakers scoreless thereafter.
