## CHRISTIAN SCIENCE LESSON

"Man" will be the subject of the lesson-sermon at 11 o'clock Sunday morning at the American Legion home on Depot street.

The Golden Text will be from Romans 8:16-17. "Spirit, itself beareth witness with our spirit and we are the children of God; and if children, then heirs; heirs of God and joint-heirs with Christ."

Among the citations which comprise the lesson-sermon will be the following from the Bible: But as it is written, Eye hath not seen, nor heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his spirit.

## Mountain Joe...

### MOUNTAIN JOE

The floods of last week almost took everything some farmers had, except their courage and grim determination to carry on in the face of difficulties.

That is a trait of the typical mountaineer—never give up—carry on against any hardship. That is the spirit that President Roosevelt spoke of Monday when dedicating the Park—the people in this section are not softies, but always ready and eager to go the limit.

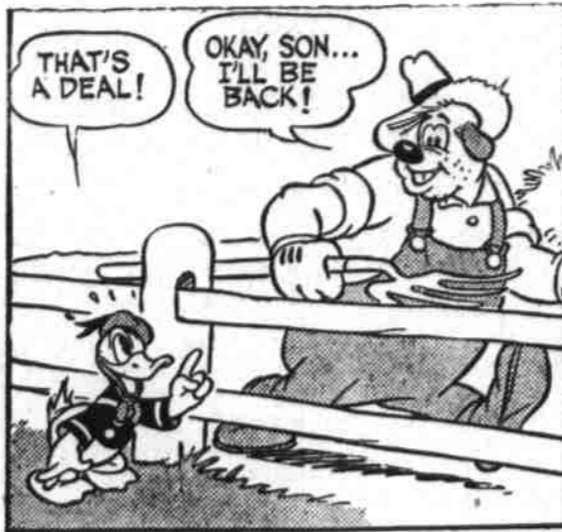

And speaking of the limit, Burgin Brothers will go the limit with their customers to see that they get the utmost in satisfaction and service.
