

Inter-City Softball Teams To Meet Fourth

Teams Of Canton And Waynesville Will Meet Friday

Annual Play Between Well Matched Teams Will Mark Afternoon Of Events.

Softball fans in this and the Canton section will be able to satisfy their longing for the popular sport on the Fourth when Waynesville softballers will meet the Canton sluggers in both afternoon and evening performances. This has been the custom for the past two years and has created much enthusiasm among the sports fans of the two Haywood towns.

The teams were about evenly matched last season, and the same care has been taken this year to place two teams as near the same rating together so as to make the game more interesting.

Four teams from the industrial city will invade the local diamond with the first game of the day starting promptly at 3:00 o'clock. The teams selected by the athletic directors of the two towns, Coach Weatherly for the locals and Coach Poindexter for Canton, are as follows together with the

PEAK FORM - By Jack Sordis

Bob Inman Takes 1st Place In Golf Tournament

Two Caddies Net Low Scores For 1st Annual Event

Inman Shoots Par Of 72, Followed Closely By Long For a 73, After Qualifying At 71.

Golfing to Bob Inman is a business and hobby.

This past week he made his hobby bring him laurels in the form of a large trophy for first place in the first annual Haywood Open Golf Tournament, which was held at the Country Club, where he is a caddy.

Inman has caddied for many a golfer who sought to make par on even one hole, and during the tournament, he just up and shot the course par of 72 to nose out Howard Long, a fellow-caddy, who came in from the 18th hole with a 73. Long shot a 71 in qualifying, and won a trophy for this achievement.

Both the leaders of the tournament "hitting 'em square and straight." Long tucked a dozen golf balls under his arm as the runner-up prize.

Leo Browning, also a caddy, took three more strokes than his two co-workers, and got a beautiful trophy for shooting his 75. Donald Dunham, a steady shooter, carded 80 and received 10 golf balls.

The surprise shooter of the tournament was 16-year-old W. J. Cox, Jr., of Miami, winner of the third flight with a card of 82. He received a silver trophy. Hayes Alley shot 85 in this flight to get a nice bunch of golf balls.

H. J. Matheson, of Canton, carried home a silver trophy for winning the fourth flight with a 90 stroke card, while Bill Stephens was close behind with a 92 card. The tournament was sponsored by the Chamber of Commerce.

Local All-Stars Trample Sylva

The Waynesville All-Stars opened their season with a practice game to get in shape for the coming season, by defeating a Sylva aggregation on the local diamond Wednesday of last week by a score of 15 to 2. Bob Putnam pitched the locals to win, allowing only eight scattered hits and allowed only two runs to cross the plate.

In a preliminary game between the Waynesville girls and a team from Canton the local lassies went down to a 16 to 2 defeat.

The local all-stars will return the game with Sylva on next Wednesday night, July 9th. ALL-STAR GAME WEDNESDAY, JUNE 25 GIRLS' GAME

SLANTS ON SPORTS

By MARION BRIDGES

Again rolls around the Independence holiday which has been celebrated in this county mostly with softball games both in the afternoon and evening. This year the custom is to be carried out in a similar form as has been for the past two years. Canton will match their softball sluggers against the locals, and the outcome—well your guess is as good as mine.

We have been a firm believer in athletics and now more than ever we think they should be practiced in all ages from the child just able to walk to the old man that is somewhat stooped with age. Our country needs men who are physically fit and a good start toward the goal is to take part in some form of athletics in your home community. Softball has been a happy solution to this question here in Waynesville and this summer as well as other towns and communities in this section.

It is the belief of some that softball is on the down grade in this section, maybe that is so, but still there has not been any real weather for the fans to turnout. It takes rather warm nights to fill the seats at the ball park.

In case you have not been out to the ball park at the high school lately, we now have one of the largest and best athletic fields in this section. Both of the stands are now concreted and the field has been graded to the point where it is practically level and much larger, and is equipped with lights for both softball and football. It has been a hard and long fight to get the field completed, but at last this community has something to be proud of in the sports field.

We believe that credit should be given where it belongs, and so we take our hats off to "Deacon" Woodard, of the Hazelwood Manufacturers who pitched his team to a victory last Saturday afternoon, giving up only eight scattered hits and totaling ten strikeouts. The Manufacturers are not on top of the league standing by any means, but they showed that they could play ball when they really wanted to. Also an unusual hitting event took place the same afternoon when Mayor "Dutch" Fisher, who pounded out two triples and two singles in four trips to the plate. Hazelwood took the game from Tryon 8 to 6.

this has been only on the gridiron or on the hardwood in basketball, but now more of the sporting element can have a chance to participate in this rivalry.

There is never a word spoken during services in St. Athanasius Chapel in Burlington, N. C. All the 25 members of the congregation are deaf mutes.

Tryon Handed 8 to 6 Defeat By Hazelwood

Tryon was defeated in his Industrial League game Saturday with Hazelwood, 8 to 6. Although Tryon rallied in the closing innings they fell short of their mark and Hazelwood triumphed.

Kimberline led the Tryon team at bat with a triple and single in five trips, but the hitting star of the afternoon was Hazelwood's Fisher, who accounted for two triples and two singles in four efforts.

Woodard, Hazelwood hurler, gave up eight hits and fanned 10.

Canton Defeated By Enka, 7 to 4

The Enka Rayonites defeated Canton in an Industrial League game 7 to 4. Four errors in the first two frames helped Enka to grab a 6-0 advantage. Although Canton outhit Enka, 11-9, they couldn't make up for the damage done by the errors. Allen for Enka and Hardin for Canton each chalked up three hits in five tries to share the hitting honors.

ARMY GOES SLUG-NUTTY
COLUMBUS, Ohio—A ton of slugs will be dropped into the nation's defense collection plate by Ohio cigarette vendors. S. L. Abrams of the Ohio State Tobacco Association said the metal, taken from vending machines during the past two years, would be turned over to a government agent for preparedness use.

Sales Bleacheries Win 6-4 Victory Over Balfour Mills

Jolly's single in the ninth with two on scored Clark from second and gave Sayles a 6-4 victory over Balfour in an Industrial League baseball game played on the Sayles field.

Leading hitters were Morton, three for four, Cunningham two for four, and Morgan, two for three, all of Sayles. Peek hit the circuit for Balfour and Stansell hit two for four attempts.

Score:	
Balfour	5 8 6
Sayles	6 13 3
H. Stewart and C. Stansell; T. Carson, Player and Cunningham.	

Ecusta Handed 4-3 Defeat By Beacon Mills

For the second time this season, the Beacon Mills nine defeated Ecusta in an Industrial League game, 4-3. But they had to have the help of a wild throw from center field in the eighth to tally the winning marker.

Whittaker, Ecusta hurler, and his foe, Bryant, each gave up seven safeties. Jack Alexander, player-manager of the Ecusta club, led the hitting with a triple, double and single in three official trips to the plate. He batted in two of his club's three tallies.

Score:	
Ecusta	200 001 000—3
Beacon	010 000 21x—4

Large Increase In Sale Of Fishing Licenses Over '40

There has been an increase of \$870 in sale of fishing licenses for 1941 over the same period last year according to G. C. Plott, county game and fish warden.

In 1940 the sales from April the first to July the first amounted to \$1,348.50 as compared to \$2,218.50 this year.

Mr. Plott attributes this increase to a number of reasons, including the heavily stocked streams, the better quality and size of the fish being put out by the hatcheries and a growing interest in the sport.

North Carolina ranks eighth in the Nation in acreage of commercial truck crops for market in 1940, reports the State Department of Agriculture.
