Complain Party In Hearse Too Gay

FAYETTEVILLE-Sounds of a gay party-too gay for the neighbors-came from the rear of a funeral home here. Police rushed to the scene and found a trio of tipsy gentlemen making merry in an old abandoned hearse.

Trout Flies Pay School Expenses

COLUMBIA. Mo .- Russell Thompson makes trout flies to pay room and board at the University of Missouri. He learned the art at his father's tackle shop in Roaring River State Park in the Ozarks. Last year he filled a single order for 300 dozen.

Fines Creek News

Miss Hilda James, who attends Blanton's Business College, Asheville, spent the past week here on Fines Creek with her parents, Mr. and Mrs. N. C. James.

Mr. and Mrs. Joe Thompson and children have recently gone to Newport News, Mr. Thompson holds a position with the Newport Dry Dock and Shipbuilding Co.

Robert Green, son of Mr. and Mrs. Bob Green left Friday of last week for Norfolk, Virginia, where he will be employed.

The good road that was built by the state and WPA has proved to be a great asset to the community especially during rainy weather. Although there is a stretch of road beginning at V. B. Greene store just beyond the intersection of Spring Creek and Fines Creek highway that gets in bad condition during inclement weather.

This road is used more than the Fines Creek main highway, for trucking tobacco from far and near by centers in Haywood. This road proves to be a very popular road for tourist travel, because it is a short route to Tennessee.

It also connects Hot Springs with Asheville and at Hot Springs the traveling public is provided with the necessary accommodations such as hotels, boarding houses, cafe's, depot, and other conveniences. This part of Haywood road means so much to the citizens and traveling public, some interested person or the Chamber of Commerce should present this matter to the state officials.

Holly Ridge, N. C., where Camp Davis is being constructed, will probably make the largest percentage gain in population of any Fisher. place in the United States in the next few months. The population of Holly Ridge before the camp program was begun was 28, by the middle of the summer they will have 20,000 soldiers and 900 offi-

British Inventor

Robert Alexander Watson-Watt, a Scottish scientist, is credited with the development of Britain's new secret radio plans detector. The radiolocator was revealed by Lord Beaverbrook in a broadcast appeal-ing for American radio technicians to operate them.

Ratcliff Cove News

Miss Marzell Webb entertained group of friends on Wednesday night in observance of her birthday at the home of Mrs. Mark Galloway.

The guest list included Nan last week. Liner, Florence Cagle, Lucille Cagle, Pauline Palmer, Ray Dills, Lester Dills, Guy Arrington, Lane Arrington, John Cagle, Verlin Dills, Joe Francis, Hugh Francis, Kermit Wells, Sam McCary, Dick Leopard, Harry Dyer, Robert Norris, Jesse Moore, and Dorothy

Mrs. Golden Spencer, of Gaffney, S. C., was the guest of Mr. and Mrs. Ben Smith this week-end.

News From Jonathan Creek

The Jonathan home demonstration club held their July meeting with Mrs. Shook Ferguson on Friday afternoon. Miss Margaret Smith demonstrated "Canning," using the double boiler method.

Mrs. F. R. Kennedy reported on "Poultry" and Mrs. Fred Allison on "Dairying." Mrs. Ferguson served refreshments assisted by Mrs. G. V. Howell and daughter, Marion Ellis.

Mrs. F. R. Kennedy won the prize in the "Naming Vegetables." Mrs. Dick Moody will be hostess for the August meeting.

The farmers of this section are having a good rest and enjoying a much needed rain.

Olis Allison is getting ready to put up a new silo. This is his

Mr. and Mrs. Tom Rainer had as guests for the week-end Mrs. Connie Gamble, son, Joe, and daughter, Hilda, of Davidson, N. C.

Mr. and Mrs. Raymond Howell and daughter Phyllis of Winter Gardens, Florida, are visiting Mr. and Mrs. Howell's mother, Mrs. Lula Howell.

Frank Kennedy, Jr., of Fort Jackson, visited his parents, Mr. and Mrs. F. R. Kennedy, for a few days

James Howell has arrived from Brevard College to spend the summer with his parents, Mr. and Mrs. R. W. Howell.

nounce the engagement of their daughter, Lucille Cagle, to Mc-Kay Fowler, of Waynesville. The marriage will take place soon.

Mr. and Mrs. Stanley Wilson, of Gaffney, S. C., were the guests of Miss Margaret and Sara Under-Mr. and Mrs. Earl Cagle an- wood over the week-end.

Will the tires you buy be safe when they carry double on a turn?

DID YOU KNOW that when you take a curve of 335-foot radius at 60 miles an hour, a force is exerted on the out-side tires that is double the load normally carried; that a terrific additional strain is placed on the tires as the car terrine additional strain is placed to the service sways over and tries to twist the sidewalls apart? (Note the distortion in the diagram above.)

You may not know it, but turns—especially when taken at high speeds—throw a terrific strain on your tires. The centrifugal force tries to push your car of the road—only your tires hold your car from sliding. This is one of the times when sudden tire failure may cause a significant of the times when sudden tire failure may cause as serious accident. It's certainly one of the many times when it's foolish to depend on low-grade, low-priced tires to protect your family, yourself and your car. Remember—quality tires are your only key to safety.

1. EXTRA BLOWOUT PROTECTION: High

strength cords "safety bonded" in pure liquid rubber for extra heat resistance. 2. EXTRA SKID PROTECTION! Patented tread

units bite through film and GRIP the road the instant brakes are applied. 3. EXTRA-LONG MILEAGE! Thick Tempered

Rubber tread is now improved to give it
