#### Local Red Cross **Chapter Asked To Raise \$1,500**

Fifty Million Asked Of the U. S. For Emergency Relief Work.

**Twelve** Pages

The following telegram has been received by Rev. H. G. Hammett, chairman of the Haywood county Red Cross chapter:

"Again the American Red Cross is called upon to serve our nation in war. Both nationally and locally we face vast and definite responsibilities for service to our armed forces and for relief to distressed civilians. To provide essential funds Red Cross today is launching a campaign for war fund of minimum of fifty million dollars. The President will issue on Friday a proclamation supporting this appeal. Your chapter quota is 1,500 dollars. Chapters may retain fifteen per cent of their collections for local war relief expenditures. Chapters should at once devote full efforts to

raising their quotas in shortest possible time. Please report action taken. We must not and shall not fail in this crisis. Signed,

Norman Davis Two co-chairmen have been appointed to have charge of the drive for funds, the Rev. R. E. McBlain, rector of Grace Episcopal church, and the Rev. Malcolm Williamson, pastor of the Waynesville Presby-

terian church. Plans are now underway to have - (Continued on back page)

## **Davis Averages** 43 Cents On 1,802 **Pounds Of Burley**

Thurman C. Davis, of Iron Duff. averaged better than 43 cents per pound on 1,802 pounds of burley this week, on the Asheville market. This is believed to be the highest of any Haywood grower this sea

Mr. Davis had 224 pounds to sell cents, and 350 pounds at 42 cents for 41 cents; 314 pounds for 43 cents; 300 pound at 55 cents; 260 cents and 354 pounds at 31 cents. His sales amounted to \$778.60.

Feeling that in this period of emergency

and patriotic gatherings, many civilians not familiar with the correct use of the flag on

#### all occasions, might need a bit of coaching, The Mountaineer asked Major J. Harden Howell about the proper salute for the civilian. In answer, Major Howell gave the follow-

ing information: "A civilian, on the outside of a building salutes the flag by facing the colors, removing his headdress with his right hand, holding it against his left shoulder. If indoors, he rises to attention, but does not salute.

Ladies come to attention, both indoors and on the outside," pointed out the Major. "'When the Star Spangled Banner" the pounds at 50 cents, and 350 at 42 national anthem, is played inside a building, if there is a flag displayed, everyone rises and faces the flag, if no flag is shown,

of allegiance, the right hand is extended, palm upward, toward the flag, and this position is held until the end, when the hand communities. after the words, 'Justice for all', drops to the side," according to Major Howell.

"God Bless America" is not entitled to a salute for it is not the national anthem, but it is all right to stand in reverence to the sentiments expressed in the song if you wish, Tom Lee Buys An said the Major.

Among other things pointed out were the facts that the flag should never be used for anything pertaining to advertising, nor ever as a drapery.

When the United States flag is displayed with another flag against a wall from cross staffs, it should be on the right, the flag's own right, and its staff should be in front of the staff of the other flag or flags.

When a number of flags are grouped, and

#### **Farm Agents Plan To Hold Emergency Defense Meets**

**Meetings First Scheduled** For After Christmas, But **Instructions Received To** Hold Now.

The county farm agents have been notified by the national defense committee to hold meetings in every township in the county between now and Christmas. The farm agents are working primar- tions of the county. ily under the agricultural planning group.

Plans originally called for those meetings to be held in January, but due to the present crisis the farm agents have been instructed to get the townships organized as an emergency measure.

At the meetings, officers are to be chosen in each neighborhood in the townships, and from the neighborhood officers, township officers will be selected.

At these meetings the subject of farm machinery repair, collection of scrap iron, gardens for defense, and other emergency measures will be discussed.

Every citizen in the townships is urged to attend and help work out the projects for their own

"Off Relief, Do Not Sell House"

Maybe its the war.

Perhaps it is Christmas, Then it could be just plain old American patriotism that brought it all about. Any way, the relief rolls have lost a client,

A Waynesville colored woman listed her house and lot for sale with a local real estate firm. They had a good prospect, and were about to close the deal. The owner left town, and yesterday the following card was received from her:

"Do not sell the house and I have discontinued the welfare and other assistance, I am going to work."

The moral of this incident is: "Work and have more."
