### Coaches Give Party For Football Team

Friday night, December 12, Coaches Weatherby and Ratcliff gave a party for the football team of '41 at the F.F.A. Hut. Between square dances a very interesting game was played. It was similar to the Eversharp pencil radio program. Coach Weatherby called different ones upon the stand and asked them questions concerning football, basketball, baseball and school. All money from questions missed was contributed to the Red Cross.

After refreshments were served, Captain Richard Inman presented Coach Weatherby a pen and pencil set, and Coach Ratcliff a watch chain.

Mrs. Weatherby assisted the coaches.

There were 2,656 airports, seaplane bases and landing fields in the United States and Canada on January 1, 1941.

### THEY DID NOT FAIL

(New York Times)

Freedom is an estate that courage and wisdom can hand on unimpaired to each new generation, but only a courage and wisdom constantly reborn and rededicated can keep it intact. The "obligation and duty," as the President said, are ours. Democracy did not fail in 1917 and 1918. It will not fail in if we defend it as bravely as it was defended then.

It would be topped off by a big Christmas dinner and a lazy afternoon by the fire.  
17. Wallace Burnette—A perfect Christmas Day is a day of variation—giving and receiving gifts, visiting, feasting, and worshipping God.

### HUGE CHRISTMAS FEASTS SERVED IN OLD CASTLES

Christmas dinners served in medieval castles were in reality "feasts". The meal lasted usually from three in the afternoon until midnight.

One of the dishes always on the table was meat pie. In delving into history we find that Sir Henry Grey in England ordered one baked that was nine feet in circumference. It weighed 165 pounds and was served from a four-wheel cart built for the purpose.

**Here's the recipe:**  
2 bushels flour 6 snipes  
20 pounds butter 4 partridges  
4 geese 2 meat's tongues  
2 rabbits 2 curlews  
4 wild ducks 6 pigeons and  
2 woodcocks 7 blackbirds

### ENGLISH ORIGINATE CAROLS

The singing of Christmas carols originated in England. According to tradition, this is the chorus of the very first: "Glory to God in the Highest, and on Earth, Peace, Good will toward Men."

Sugar is found in the sap of nearly 200 plants and trees.
