Asheville Ball Club To Be Back Home On Sunday

Bill Delaney brings his hustling young Tourists back to Asheville, Sunday, May 3, after the first road trip of the season, to face the Durham Bulls, 1941 champions of the Piedmont League, and one of the largest crowds of the early season is expected to be on hand at McCormick Field when the two clubs square off.

The veteran Lee Sherrill will be on the mound for the Tourists. The classy righthander, who promises to be the ace of the Tourist staff this season, will be making his first appearance in an Asheville uniform since 1936, and the fans are expected to turn out in large numbers to see him in action.

Durham will also be here Monday and Tuesday afternoons, May 4 and 5, at 4:00 p. m.

Another former Asheville favorite, Ben Chapman, will make his debut here Wednesday afternoon, May 6, when he leads his Richmond Colts to Asheville for a three-game stand with the Tourists. Chapman, one of the speediest outfielders in the majors for years and a former Piedmont League star, is the new manager of the Colts, and his many Asheville friends are expected in the stands, May 6, to see him perform.

SPORT HAPPENINGS

By HYATT

HELLO, SPORT FANS! This past week must have been a very sad week for the hundreds . . . yes, even thousands of fishermen all over the state . . .

They know and we know that the fire which was perhaps maliciously started last Sunday at the foot of Shining Mountain and the dozens of other fires all over the country which have been burning furiously have ruined for many years to come, not only valuable forests, and personal property, but many of fine fishing streams.

These fishermen realize, too, that the fish which were perhaps lucky enough to live through the fire will be killed when it rains as the ashes and lye start pouring into the streams . . .

It seems a shame that after the painstaking years spent in stocking our waters with the finest species of fish for the enjoyment of fishermen . . . it all was to be wiped out in just a few minutes . . .

It seems that just about the only thing left to do is to stock the remaining streams that were not affected by the fire with all the fish possible . . .

Cody Plott says that although all fishing has been cancelled on all government land because of the fire there is still a chance . . . if it rains! The government says that as soon as it rains fishing will be resumed the nearest open date afterwards.

MORE ABOUT SOFTBALL

L. N. Davis, president of the softball league, has asked that all firms who want to have a team in the league this year or who want to be represented to have a representative at the meeting which is to be held at the Chamber of Commerce at 8:00 this Friday night.

They are very anxious to complete plans for the softball league at this meeting and to get the season underway . . . so all of you who want in on this please have your representative at the meeting tomorrow night.

BLACKBURN, LOUIS' TRAINER, DEAD

We were sorry the other day when we read that Jack Blackburn, Joe Louis' trainer and friend, had passed on.

"Louis would have been a great fighter and a champion without Jack's help . . . but he was a greater fighter and a greater champ because of Blackburn".

Blackburn himself was a great fighter in his young days . . . His real name was Charles Henry Blackburn and he was a lightweight fighter during his days in the squared circle . . . he fought for 20 years, starting in 1903.

Until one day he engaged in a cutting scrap and down one side of his face was a long red line which reminded you of all the weary years he spent in a penitentiary for killing a man.

Although most of this was forgotten by Jack in the joy he gained in the development and the success of the Brown Bomber . . . because through Joe Louis he could live over his own days in the ring when he was really a fine battler.

Saunook News

By Mrs. Claude Hill

Saunook is a very busy little place this week with parents, teachers and students preparing for the program to be given Friday by the students.

We have had interesting programs in our school this year and we hope we may be fortunate enough to have the same teacher for the coming term.

The P. T. A. is sponsoring an opera house singing and cake walk on Friday night, May 2nd. We hope to have all the good singers from Balsam, Hazelwood, Allen's Creek and Waynesville.

There will be an all day service at the church, May 10th, with singing, speaking and dinner.

First there will be the communion service, then the Mother's Day

program, followed by the honors which will be given our servicemen.

We have made a service flag in honor of our men who are now serving in the army, navy and marines with the following names: Bill Ryder, John Trull, Arthur Styles, Glenn Smathers, Gene Brooks, Waldo Swayngim, Fred Swayngim, Clyde Swayngim, Robert Smathers, Virgil Shelton, Linwood Rogers, Ernest Hooper, Edgar Cook, Tom Troutman.
