Jonathan Creek News

The Jonathan home demonstration club met on last Friday at the home of Mrs. Dick Moody. Fourteen members and one visitor were present.

After the reports of project leaders, Miss Mary Margaret Smith gave a demonstration on "Food Preservation." Besides canning she told how many perishable

fruits and vegetables can be dried successfully. The August meeting will be an all-day picnic held at the home of Mrs. Jarvis Palmer. During the recreation period Mrs. Moody served delicious refreshments.

Charles Moody, who has a position in Asheville, spent the week-end with his parents, Mr. and Mrs. C. M. Moody.

A first aid class was started at the Rock Hill school last week, with Miss Lou Belle Boyd as teacher.

The following are taking the course: Mrs. R. W. Howell, Mrs. Twoy Leatherwood, Mrs. Berry Messer, Mrs. Lee Williamson, Mrs. Grady Howell, Mrs. Dick Moody, Mrs. Medford Leatherwood, Mrs. Frank Kennedy, Miss Edna Boyd, and Mrs. Tom Raiser.

Miss Margaret Boyd, who is attending summer school at Cullowhee, spent the week-end with her parents, Mr. and Mrs. Glenn Boyd.

From all reports, Jonathan's Creek is raising more beans for the cannery than any other section of the county.

A crunchy, ready-to-serve cereal stuffed in the center of baked apples is a good substitute for nuts. A few raisins may also be added. Both add interest to a child's meal.
