

40 Mountaineers Start Hard Grid Work Today

Lions And High School Win In Softball Series

The Lions and High School softball teams went to victory last week in the finals of the two division play-offs, to capture the trophies offered by the League. Dayton Rubber team was given the trophy offered by Reliable for leading the league in the season in the number of wins.

In the play-off, the Lions defeated the Boosters Club 16 to 5 in the top honors in the second division.

In one of the best softball games ever played on the local field, Dayton Rubber and High School played a scoreless game until the ninth inning, and then on two errors, High School pushed across two runs to win the series.

The box score of the two games was as follows:

	AB	R	H
High School	3	0	0
Teague 2b	2	0	1
Wootman 3b	3	0	0
Griggs p	3	0	0

Average Team Is Prediction Of Coach Weatherby

First Definite Game Is Set For 25th; Game Sought Here for the 18th.

Forty prospective members of the 1942 Mountaineer football squad will get their first taste of hard and rough work this afternoon, as Coach Weatherby sends them through the paces.

Heavy equipment was issued yesterday, after the boys have had a week's training in exercises and the fundamentals of the game.

While it is too early to predict what the 1942 edition of the Mountaineer gridiron squad will resemble, Coach Weatherby used the word "average" all the way through when questioned as to their speed, weight and experience.

"It looks like an average Mountaineer team. Of course, it can develop in either direction, but at this stage it looks average," said the non-committal coach.

The team will weigh between 140 and 150, unless they drop weight during the next week or so as they get down to hard play.

Eight of the old 1941 men were lost by graduation—4 backs and 4

Medical Staff Pays Tribute To W. L. Hardin, Jr.

At the meeting last week of the medical staff of the Haywood County Hospital, resolutions were passed in memory of the late W. L. Hardin, Jr., member of the Haywood county board of trustees.

The resolutions set forth the great loss to the hospital, the community and to the state, for his faithful service rendered, and also expressed appreciation of his splendid character, fine qualities and his heroism as exemplified in his efforts to save others.

It was ordered that a copy of the resolutions be sent to the family, to the Haywood County Hospital board and to the county newspapers.

The first definite scheduled game is with Andrews here on the night of the 25th. Coach Weatherby is trying to get a game here for the 18th. He expects to complete the season's schedule by the end of this week.

Present plans are to play all home games at night, with the possible exception of Christ School, and this game is late in October.

Iron Duff News

The Iron Duff Home Demonstration meeting was an all-day affair, held at the home of Mr. and Mrs. E. W. White for both the club members and their husbands and County Agent Howard Clapp and Assistant Agent Wayne Franklin.

Each family brought a picnic lunch which was served on the lawn.

The afternoon was devoted to the regular club meeting. The men also had a business meeting in the afternoon.

The farmers of this section are beginning to harvest tobacco. But the problem is where are they going to put it. The crop is so much better than usual. Looks as if all the barns in the township will be more than full.

The Rev. Jarvis League will preach Sunday at 11 at Antioch Baptist church.

Ernest Crawford, of Newport News, Va., is spending a few days with his mother, Mrs. Pearl Crawford.

"Aunt Mag" Caldwell, who has been sick for several weeks, is slowly improving. Miss Maria

Palmer, of the Jonathan Creek section, has been visiting her. Also her son, Cordell Caldwell, of Richmond, Va., is spending a few days with her.

Edwin Davis, son of Mr. and Mrs. French Davis who volunteered for service about two years ago, has been given a medical dis-

charge. He has as his guest this week his cousin, Billy Woody, of Canton.

Mrs. G. B. Hogan has as her guest her granddaughter, Judy Harrell, while her daughter, Mrs. Clifford Harrell, is recovering from an operation in the Biltmore hospital.
