Two Modes of Transportation on Alcan Highway

THE WAYNESVILLE MOUNTAINEER

This picture was taken on the newly-opened Alean Highway which stretches between Alaska and Canada in the Northwest. These three Army trucks rolling along with supplies for our armies to the north form a fine contrast with the sled being hauled by dogs—the old mode of transportation in this area. Mercury drops to a cruel sixty below in these parts, and Summer temperatures size as high as ninety degrees. (Control Press)

Chairman Robert L. Doughton of the House Ways and Means Committee has declared his committee would put a stop to federal social security expansions proposed by Chairman Arthur L. Altmeyer of the Social Security Board.

Altmeyer suggested benefit payments for permanently and temporarily disabled workers and their dependents, with additional contributions to hospitalization costs of insured workers and dependents.

These proposals were contained n an article by Altemeyer in the ecurity board's current monthly publication. President Roosevelt previously had made similar recommendations to the National Resources Planning Board. These developments further confirmed recurring reports that the President would have an important social security message to make to the New Congress.

Sentinels of Health

Don't Neglect Them!

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—iiie itseli—is constantly producing waste matter the kidneys must remove from the bleed if good heath is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of disainees, getting up nights, swelling, puffiness

getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys.
