"Let Us Show You How Pittsburgh's Exclusive 'Vitolized Oils' Keep the Paint Film 'Live,' Tough and Elastic

WE ARE headquarters for Pittsburgh's famous Live Paints, enriched with "Vitolized Oils"—today's most talked about improvement in paint making.

We'll gladly show you scientific tests which conclusively prove that these "Vitolized Oils" remain in the paint film after application, keeping it LIVE, tough and elastic. Thanks to this extra elasticity, Pittsburgh Paints are tougher than ordinary paints—can take more punishment—are better equipped to retard cracking, peeling and blistering.

We have a full line of Pittsburgh Live Paints to meet the special requirements of every surface—wood, plaster, brick, stone, concrete, or metal.

Drop in today and let us explain the economy of Live Paint Protection.
