Plans Visit to U. S.

THE UNITED STATES will be a "Good Neighbor" in the role of host this month when President Higinio Moronino of Paraguay arrives in this country for a visit. The trip is seen by diplomats as an important move in furthering wartime Pan-American relations. (Internationally)

A patriotic address by Governor Joseph Melville Broughton, of North Carolina, marked the peak of Junaluska's Independent day celebration. The Governor spoke at 11 a. m. in the Assembly auditorium and in spite of the rain a good crowd, approximately 1,000, gathered to hear him.

Sharing the Fourth of July platform with the Governor, Dr. E. P. Billups, of Canton, was heard at the evening hour of worship, his subject being, "You're Quit for Freedom."

Dr. Henry G. Barnett, superintendent of the school, from Lake Junaluska, has agreed with Mrs. Barnett, and will give the evening lecture in a session at 8:30 p. m. Monday evening. His theme will be "The A—ia."

Governor Broughton selected as the theme of his Sunday morning Fourth of July address, "The Mission of the Church in Times of War." He stressed the duty of the Christian church to keep alive the idealism and Christian principles upon which America was founded and to meet the challenge of taking an important part in formulating the peace. Planned participation and not passive concern, he said, should be the role of the church and of

—a member of the Baptist church and active in its work. He teaches a men's Bible class and its broadcast is a regular Sunday morning feature from Raleigh.

The Rev. Dr. E. P. Billups, of Canton, shared a Fourth of July speaking program Sunday with Governor Broughton, and pleased a Monday morning audience in a dramatic lecture recital.

"The Poetry of the Bible," was the theme of the Monday morning recital and the minister-lecturer discussed briefly poetic forms in the Bible writing and recited lofty passages of Bible poetry.

Discussing and giving examples of various types of Hebrew poetry, the speaker traced the origin and form of the folk poetry which is incorporated in the oldest books of the Bible. The second period of Hebrew poetry, he said, is that of the older prophets, Jeremiah, Isaiah and others who wrote during the period from 760 B. C. to 586 B. C.

"The writing of the prophets," said the speaker, "is characterized by great emotional emphasis. They were not only in their outlook, words of social oppression and injustice. They were dramatic in matters of judgment and were loyal exponents and defenders of Yahweh."

The speaker concluded by giving examples from the sayings of Jesus, which, he said, followed definitely the pattern of Hebrew poetry.

Speaking specifically to 300 young people attending a Young People's Assembly here, Dr. Billups in his Sunday night sermon discussed, "You're Quit for Freedom," and pointed out the differences between freedom and universal brotherhood. All real freedom, he explained, is restricted and implies responsibility and bondage to all. "God subordinates our freedom," he told the young audience, "by such things as conscience, the ability to feel, and the need for human fellowship. It is not of any good."

Sunday evening's service was marked by a special musical program given by the Canton Methodist choir under the direction of Mrs. Henry MacFayden. Outstanding on the program were the two solos rendered by Mrs. MacFayden, "A Prayer," by Guyon and the anthem, "Holy Spirit Come O Come," by Martin.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly God, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

DOAN'S PILLS

Christian faith toward the peace war world.

Just after his second year, when he was 27, he said, "I came to you for it. I suppose the day will come when I will be in circumstances of a man and a woman on a similar occasion one year ago. And yet today there is a glow of hope and expectancy as we view the international scene."

"We cannot be unmindful of the background and the circumstances of the historic event which we celebrate today as we remember the Declaration of Independence—the brave gesture made by thirteen feeble colonies 167 years ago, to represent the hopes and aspirations of a people who had come to this country seeking three things: Freedom to worship God; a government that operated with the sanction of the people; and economic security and equal opportunity for all. Those hardy, liberty-loving, God-fearing men and women wanted those three things with a passionate devotion. From it they developed qualities of self reliance which is today the basis of American life."

"As we ponder the problems of war and post-war and peace, let us remember the church of the living God must have a part in shaping the new world order. We have tried to win peace through diplomacy and in the spirit of vindictiveness and we have failed. Today we express the hope that the war will be fought and won in the spirit of our forefathers and that the peace will be formulated in that same spirit. So may we add new glory to Old Glory."
