

Dr. and Mrs. Stringfield Have Four Sons In Service

Dr. and Mrs. S. L. Stringfield have four sons in the service as follows (left to right): Lt. Thomas Stringfield, Medical Corps, U. S. Navy, is stationed at Camp LeJume, New River. He volunteered in the service and was called to active duty in April of this year and was inducted at Raleigh. From Raleigh he was sent to the Naval Air Station in Jacksonville, Fla., and from there to his present post. Prior to volunteering he had served with the American Red Cross under the British Ministry for Health for a year at Botley's Park War Hospital in Surrey, England. Lt. Stringfield is a graduate of the local high school, Wofford College and studied two years at the University of North Carolina and holds an M. D. from the Medical College of South Carolina. Prior to his service in the Navy and in England he practiced in Waynesville.

Lt. Samuel Lanier Stringfield, Jr., Army Air Corps, was recently graduated from Selman Field, Monroe, La., as a navigator. He volunteered in March, 1942, and was inducted at Fort Jackson. From Jackson he was sent to San Antonio Aviation Cadet Center, and from there to Selman Field. At the time he entered the service he was employed by the U. S. Engineers at Sumter, S. C. He is a graduate of the local high school and attended the University of North Carolina for three years.

Private First Class William Williams Stringfield, U. S. Air Corps, is stationed at Lowery Field, Denver, Colo. He volunteered while a student at the University of North Carolina and was inducted at Fort Bragg in January, 1942. He first served in the armored division at Fort Knox and was transferred to the air corps and sent to Mitchell Field, N. Y. Since that date he has been stationed at: Keesler Field, Miss., Fort Myers, Fla., Nashville, Tenn., Buckley Field, Selman Field, La. He is a graduate of the local high school, Darlington Preparatory School and studied two and one half years at the N. C. University.

James King Stringfield, volunteer in the U. S. Navy, is attending the Naval R. O. T. C. student training courses at Chapel Hill. He volunteered in September, 1941, and was inducted at Chapel Hill, while attending the University. He is a graduate of the local school and of Darlington School, of Rome, Ga.

Kidneys Must Work Well-

For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.
If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging back-aches, headaches, dizziness, rheumatic pains, getting up at night, swelling.
Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.
