

Waynesville To Meet Christ School At Arden Friday

The Mountaineers leave Waynesville this week for the first after-school game of the season, when they meet the Christ School Greens at Arden Friday afternoon.

Due to war-time conditions and shortage of gasoline, it is expected that only a small following of local fans will go to the game.

Christ School always has a good team and this year is no exception. It is expected that the locals will have their hands full to defeat the Greens.

With only minor injury coming from the locals in the Hendersonville encounter last week, the Mountaineers are expected to be a full strength, although the weather has hindered their practice some so far this week.

The probable starting lineup for the locals in Friday's game will be Collins and Troutman out on the ends, Medford and Scates at tackles, Knight and Caldwell guards and Jaynes over the ball, backfield, Teague or Byrd at center, Scruggs and Fie at half, and captain Evans at fullback.

Mountaineers Roll Over Bearcats By 28-0 Score

The Waynesville Mountaineers came back strong last week after their defeat by Canton, to wallopp the Hendersonville Bearcats by a score of 28 to 0.

The local eleven rolled up their score in the first half, with the scoring starting early in the opening period. Troutman, local end, rushed Hendersonville's Lampley as he dropped back to throw a pass and as he cocked his arm back to chuck the ball, Troutman took the ball from his hand and galloped 30 yards for the score. Scruggs plunged through center for the extra point.

The Mountaineers scored again late in the first period on a sustained 63 yard drive with Scruggs carrying the mail the last 11 yards for the tally. A pass from Scruggs to Fie netted the extra point.

Early in the second period the locals began to march when Evans intercepted a Bearcat pass on the Waynesville 44 and returned to the visitors 21. A pass from Teague to Evans moved the ball to the 5 where Fie cracked the line for the extra point. Evans dropped back and placekicked the point after touchdown.

Evans set the stage for the last score of the game, coming in from his position in the secondary to block a Hendersonville punt on the Bearcats 42. A pass from Teague to Evans was good for 22 yards down to the visitor's 20. Ralph Phillips, southpaw passer for the local, dropped back and flipped a pass to Allison in the end zone for the final score of the game. Teague plowed through the line for the extra point.

Coming back in the second half, the visitors seemed to have gathered their wits and strength together. A punters duel resulted in the third period with neither team doing any serious threatening.

The Bearcats made their only real threat late in the last period, with a fifteen yard penalty and several completed passes placing them on the one yard line at the end of the game.

The Waynesville Township High School Band together with the Girls Glee Club, entertained some 1,200 to 1,500 fans at the half time of the game, playing and singing the popular tunes, with the group assembling to form symbols and letters in keeping with the music.

Orders From President Roosevelt Reunites Twin Brothers In Army

Clarence and Carl Sims, 19-year-old twin sons of Mr. and Mrs. J. E. Sims, of West Asheville, and grandsons of Mr. and Mrs. John Snyder, of Waynesville, route 1, had never been separated from each other until they entered the armed forces, and after doing so their mother decided to do something about it.

Both boys were employed at the Glenn L. Martin Company in Baltimore at the time they entered the army. Clarence received his draft call on March 10 of this year, refused an occupation deferment and came home to enter the service. Carl obtained a release and came home at the same time and enlisted. They were sent to Miami Beach, Fla., where they stayed together for some time. Then Carl was transferred to Chanute Field, Ill., in April, where he served in the Quartermaster division of the Air Corps. After being stationed for six weeks he was sent to Santa Maria, Calif. In the meantime, Clarence had been sent to Gulfport Field, Miss., in July.

In August Mrs. Sims wrote to the President asking that the two boys be reunited. The President referred the matter to the commanding General of the Army Air Force and with his approval, their mother's request was granted.

The letter received by Mrs. Sims from the commanding General read in part, as follows:

"This headquarters directs that Carl Sims be transferred from Santa Maria, Calif., to the Technical School at Gulfport, Miss., Army Air Field that he may attend in the same class as his twin brother Clarence. It is hoped that they may remain together."

So both boys are back together. Carl is a Corporal and Clarence a Private First Class. They are both graduates of Lee Edwards high school and attended Blantons Business College.
