Bonus Of \$1 Per Pound Offered On Good Mica

The present price of mica of \$5 per pound is guaranteed through December 31 of this year, according to Colonial Mica Corporation here.
 A bonus of \$1 per pound will be paid for one and two quality, it was announced. This bonus went into effect February first, and will continue at least through June 30th of this year.
 The local firm said that the stock of mica is steadily going down, and the demand is growing greater. "We feel that the extra \$1 per pound will take care of sheeting and trimming costs," officials explained.
 There are no changes in the requirements, as to the grading and preparation of mica, in order to benefit from the increased price offered, it was said.
