Fontana Workers Send \$370 To Red Cross Chapter

The Rev. Malcolm R. Williamson, chairman of the local Chapter of the American Red Cross, received a few days ago a letter from F. C. Schlemmer of Fontana Dam enclosing a check drawn to the Haywood Chapter American Red Cross in the amount of \$370.00.

Mr. Schlemmer served as chairman of the War Fund Campaign at Fontana Dam this year and with a quota of \$10,000 actually raised from the men, women and children now living there \$20,964.74.

Many of the workers there desired that their contributions be sent to their home chapters and the check referred to above represents the contributions made by Haywood County people who are now working at Fontana.

"We would like in this public way to express our thanks for the support of our Haywood county citizens in this War Fund Campaign," commented Mr. Williamson. "I am sure that the public would like to know that with a quota of \$6,400 for our chapter, we have received to date \$7,816.18," he continued. While the greater portion of this money is being sent to National headquarters, enough is being retained by the chapter here to carry on its many activities including the many services rendered the soldiers, sailors and marines who have gone from our country as well as rendering aid to numbers of their families. "We would like also for the public to know that in the event of a local disaster the local Red Cross Chapter together with the assistance of our Regional headquarters, will come to the rescue cost what it may," said Mr. Williamson.

In South Pacific

PFC. LOUIE L. BYRD, son of Mrs. Jerry Byrd, of Hazelwood, who entered the service in September, 1942, at Fort Bragg, is now in the South Pacific. He was sent to Camp Shelby, Miss., and then to Camp Pickett, Va., then overseas.

Private First Allie Moore, who is serving overseas, was recently awarded the good conduct medal for exemplary behavior and efficiency and fidelity, according to a release from his commanding officer from overseas. The award stated that the medal was given for a period covering one year.

Prospective Juror — I couldn't serve as juror, Judge. One look at that fellow convinces me he is guilty.

Judge—Sh-h! That's the district attorney!

Cpl. Chas. T. Rhinehart Spends 15-Days At Lake

Cpl. Chas. T. Rhinehart, son of Mr. and Mrs. Marvin Rhinehart, of Lake Junaluska, recently spent a 15-day furlough with his parents.

Cpl. Rhinehart has returned from two years overseas. He was first sent to Palm Beach, Fla., upon his arrival in the States for a three months rest and is now on duty at Venice, Fla.

Mr. and Mrs. J. H. Way, of Florida, are visiting the latter's parents, Mr. and Mrs. Robert McElroy, in Hazelwood.
