

### Mountaineers To Meet Conton Here On Friday Night

The Canton Black Bears will invade Waynesville Friday night for a doubleheader basketball game with The Mountaineers. The opening whistle is scheduled for 7:30. Canton is reported to have two strong teams this season and are expected to test the local's strength to the utmost.

Due to the whaling that Canton received on the gridiron this past season by The Mountaineers, they are out to avenge their school in the basketball realm.

The attendance at the home games this season has picked up and a large crowd is expected to see these two rivals of long standing meet Friday night.
