NATION'S SPIRIT HURT MOST Newspapers print four times weekly on both sides of a single tences for collaborators are an unfailing feature. Almost everyized by right of left, if not by

Political feeling in the press strong. There is considerable hit-terness against the alleged failure the government to eliminate the black market and the government's financial measures have caused considerable dissatisfaction -some claiming the plan to tax war profits went in the wrong di rection and others claiming it did

ot go far enough. But physically the Belgians have not lost nearly as much as other battle-scarred liberated territories. Their chief loss has been in the pirit of the people, disintergrated y the humiliations and hardships of years of enemy occupation. The war has left a moral mark on the population which may be harder o erase than devastations of their wellings or the memory of physcal hardship.

SAVED BY HIS "PINKS"

SHREVEPORT, La. - First t. James L. Beck, navigator of an England-based B-17 bomber, says he was never "hit" in a raid, "But one time flak came through the seat of my heated flying suit, cut through my other flying suit and even penetrated the pocket of my pinks," he adds.

The highly nutritious dyhydrated foods utilized by overseas troops are packaged in a state of preservation which will last indefinitely
