with Turkish tobacco and that last year at Oxford, N. C., better Turkish tobacco—and more per acre—were grown than in Turkey. Thousands and thousands of dollars have been spent on the tests by the N. C. Department of Agriculture, Duke University, and the Agricultural Experiment Sta-

Why the secrecy of the fact that North Carolina this year will have around 100 farmers producing on a trial basis Turkish Tobac-

For more than a year now those in charge of the experiments at Oxford have planned to teach the chil- send out publicity on the workand now it is coming out piecemeal ... an item here and a hint making about "aromatie" (that's Turkish) tobacco there. Why not a full story, or nothing?

Facts about Turkish tobacco: plants are set from four to six if things inches apart; it is never topped; the leaves are about four inches from in length; it is air-cured; for curbut the stick with a needle; after curing, it is arranged in small bails; it usually sells for about twice as much as ordinary flue-cured tobacco: it requires so much labor The resignation of that it is tailor-made for small e l. M. Meekins last farms and large families; and it is planned for mountain farmers to grow it-two or three acres to a that that farm; the average yield is around 1,400 appointed to the best fertilizer is regular barnyard

There was a short article about it in last Saturday's Greensboro Daily News-and in other papers Carolina last week.

> LUNCH-The next time you come to Raleigh you may have the Governor Cherry. That's right.
> The late great Dr. B. W. Kilmetablished Pine State

Creamery here, and Pine State has a dairy lunch place on Salisbury Street which is frequently frequented by Mr. Cherry. It's not a big place, and is very humbly appointed, as they say, but Governor Cherry looks right at home in there eating doughnuts and drinking a pint of

He goes in, stands in line with the others, and "lords it" over and eat with our governor in the real old democratic way. No stuffy atmosphere ever surrounds the new governor-quite refresh-

FRIENDS - This column said last week that "the friendship be- ling of school funds. In 1941 and as much at case as you would be tween Roosevelt and Lindsay Warren may be against his being appointed successor to Meekins, rather than for it." The column was barrelled guns on the old State carried on Thursday and Friday in 20 non-daily papers, and on Saturday the news came from Washington that "Warren will not accept judicial post.

308 - Yes, 308 divorces were granted in Wake county Superior Court during 1944. There were 786 marriages. September, the high month, saw 42 divorces granted in your State Capital.

In one day during the past two weeks, the Wake court granted

The bill to reduce the separation time from two years to one has been killed and now one to pull it up to three is being considered.

WHO? - The question now is for Eastern North Carolina. Well. this will be left largely to O. Max Gardner, who is very close to the President, and Comptroller General Lindsay Warren, also an FDA stalwart.

Any Congressman in the east would be glad to get the place, for there is not much money in being a Congressman, believe it or not, what with having to run

Eavenson Brothers Serve On Sea and In Air

MR. AND MRS. H. H. EAVENSON, of Waynesville, R.F.D. No. 1, have three sons in the service. They are: T/Sgt. Jim Eavenson, who entered the service in August, 1939, and served for 9 months and was discharged and then rejoined following attack of Pearl Harbor. At the time he entered the Air Corps the second time he was employed at Newport News Shipbuilding and Dry Dock Company. He took his training at Keesler Field and from there was sent to Panama and then back to the States. Before being sent overseas he was trained at Fort Myers, Fla., Witchita Falls, Tex., a base in Louisiana, and Banger, Me. He has been overseas for the past eight months.

Lester H. Eavenson, seaman 2/c, entered the service in October, 1944, and was inducted at Camp the average yield is around pounds to the acre; the mond, Va. He recently visited his family here. His wife, the former Miss Margaret Sparks, and three chilren reside at Waynesville, R.F.D. No. 1. At the time he entered the service he was employed by the Unagusta Manufacturing Company.

Tom Eavenson, S 2/c, entered the service in A pril, 1944, and took his boot training at Camp

Peary, Va., and from there was assigned to sea duty. He was with the forces in the invasion of the Philippines. He is entitled to wear three bronze stars. At the time he entered the service he was employed by the Navy Yards at Portsmouth, Va.

FROM MAINE TO LOUISIANA SAY:

Lets save that car!"

Your car is older than ever before . . . and it's still got far to go . . . how far no man can promise you. Keep that in mind as Spring comes on . . . care never meant so much as now!

It may seem hard to realize that the last new cars were built over 3 years ago . . . the average car in use today is over 7 years old! As a car owner, you never faced a situation like this. NOW just to SAVE THAT CAR calls for the best care you can get. Whatever your past practice, however much or

little you drive your car, this spring be sure to get (1) good, clean oil ... (2) a good, thorough chassis lubrication . . . (3) a good, careful checkup of battery and tires and radiator. You know you can count on Esso Dealer care. You know you need it now as never before! Don't delay! MAKE A DATE WITH YOUR ESSO DEALER TODAY!
