

### Jane Wyche Wins DAR Citizenship Award In State

Miss Jane Wyche, daughter of Mrs. Troy Wyche, sponsored by the Dorcas Bell Love Chapter, Daughter of the American Revolution, has been announced as the winner of the \$100 war bond offered in North Carolina by the National Society of the DAR in the 1945 good citizenship contest.

Usually this announcement is made at the annual state convention which was canceled for this year and the winners and runners up entertained as guests of the state DAR. Mrs. W. Beatty Farr, of Greensboro, is state chairman of good citizenship.

This is the third time that a Waynesville girl has won in this contest during the past four years which is open to girls in the senior classes of high schools in the state where the DAR chapters.

The girls compile a scrapbook of their activities and these are judged by two groups of judges, the first selecting the best 12 and the second selecting the winner and the first and second places. This year in view of Waynesville's having been winner so often the books were judged by three sets of judges. None of the judges are ever connected with the DAR chapters.

Miss Lillian McCulloch, of Elizabethtown, who was sponsored by the Battle of Elizabethtown Chapter, won second place and Betty Jane Carr, of Burlington, sponsored by the Battle of Alamance Chapter, was given third place in the state-wide contest.

Miss Wyche has made an outstanding record in high school, both in scholarship and participation in the various school activities. A talented musician she has played in concerts over the radio, and is an officer in the Junior Music Club. She is a Girl Scout and is active in the work of her church. She has held a number of offices in high school and in the church organizations.

group to reach Iceland in January, 1942. Miss Quinlan and her associates worked hard to entertain the lonely men despite the cold climate and housing shortages. Shows were put on in small huts, outposts visited by open boat in icy winds. Later these workers rendered aid to soldiers being returned by airplane to the States after being wounded in the Normandy invasion.

"At His Side" is the story to date of the American Red Cross overseas participation in World War II.

After a year in Iceland Miss Quinlan returned to the States for a brief period and was sent again by the Red Cross to Australia where she also served a year. After returning to this country she was assigned to the Woodrow Wilson Hospital at Staunton, Va., where she was in charge of recreation.

She has recently been given special training in recognition of her talents in working with the returnees and has been assigned to the Valley Forge Hospital.

Miss Margaret Johnston, county librarian, was called to Greensboro yesterday on account of the death of her aunt. Miss Johnston plans to return to town on Sunday.

### Ferguson-Cagle Win In Tobacco Sales Contest

growing the most dollars per tenth of an acre and having less than one acre of tobacco.

Ferguson and Cagle received \$1,597 for one acre of tobacco, and it was sold through Bernard-Walker Warehouse of Asheville. Forrest Justice received \$1,504.17 and sold his acre of tobacco through the Farmers' Warehouse of Asheville. Fred Allison sold two and one-half acres of tobacco with an average of \$1,352 through Joe Bryant Warehouse of Morristown.

Mr. Woody stated that possibly some other tobacco grower may have received more per acre than the winners, however, they overlooked turning in their warehouse bill to an officer of the bank and no sales were considered in the contest unless both the warehouse bill and the check were presented to the bank. Approximately 125 growers had had their check and warehouse bill entered in the contest.

Mr. Woody stated that so much interest had been shown in the contest that he felt quite sure the directors of the bank would approve some kind of tobacco contest for this growing season.

### Electrical Storm Hits Community

This community was visited by a regular "summer" electrical storm late Sunday afternoon. The heavy rain had some hail in some parts of the area, but not enough to do any damage, according to a survey.

While the lightning was keen, and came in steady flashes for a while, no damage was reported.

Within ten minutes after the cloud passed, the sun started to shine again.
