MRS. D. N. RATHBONE  
(Correspondent)

Mrs. Eula Green and daughter, Helen, have returned from Elton after visiting with the former's sister-in-law, Mrs. Lee Green, at the home of the latter's parents, Mr. and Mrs. Lynch.

Mr. and Mrs. Wiley Allen and Mr. and Mrs. John Fulbright were the guests over the weekend of Mr. and Mrs. Bobbie Carver at their home on Spring Creek.

Major Cecil Brown, of the Salvation Army, has returned from a trip to Florida. She was the guest of several officials of the Salvation Army including Major and Mrs. Ernest Pickering, the divisional commander for the South Atlantic Division with headquarters in Jacksonville; Major Charlie Johnston, commanding officers of the West Palm Beach Corps; Captain Lillian Blackburn of Lake Worth; Captain Frances White, also of Lake Worth; and Major and Mrs. John Sharp, of Fort Lauderdale.

Uncle Spencer Green is very ill at the home of his son, Herman Green.

A representative from the Home Leagues at Little Creek and Maple Springs attended the annual Home League Rally which was held in Asheville on last Friday. The guest speaker was Mrs. E. C. Hoffman, wife of Col. Hoffman of the Atlanta Division, and Mrs. W. Bouterse, the Divisional Home League secretary from Charlotte. A dinner followed the business meeting in the afternoon at which time a candle lighting service for 150 boys in the service. The candles were lighted by a relative of the man in service.

Rev. Ben Atkins, pastor of the Fines Creek Methodist church, delivered the sermon on the third Sunday at 3 p. m. at the Laurel Hill Methodist church.

Uncle Joe Davis recently observed his 83rd birthday anniversary at the home of his daughter, Mrs. Tommie Ledford, with whom he is living. He is said to be the third oldest living man on Fines Creek. The others are Uncle Doc Rogers, 93, and Uncle Spencer Green, 83. Many friends and neighbors wished the old gentleman happy greetings on the day.

RIGHT now, neighbors, before the busy planting season is on us, let's get together and put our farm telephone line in good repair. We can't afford the risk of having our telephone line go dead right when we'll be needing it most. So let's get together and do the job now while we can better spare the time. Call the secretary of your line tonight and fix a day to start the work.

At the time he entered the service FH. O. Bradley was a student at Davidson College.
