County Library Board Meets; Miss Young Resigns

Announcement was made at a meeting of the Haywood county library on Tuesday morning of the resignation of Miss Adah Young, assistant to the county librarian. Regret was expressed by the board as Miss Young has rendered a wide service during the three years she has been associated with the library here.

Prior to the establishment of the county-wide system last year Miss Young was librarian for two years for the Waynesville Public Library. Miss Young has seen the library grow from a city to a county system and the circulation expanded accordingly.

Miss Young's resignation will take effect as of April 1. No announcement has been made of what work Miss Young will take up or who will be named to fill the vacancy caused by her resignation.

During the meeting the county librarian, Miss Margaret Johnston, announced that circulation during the month of March was the largest ever noted in the Waynesville area which was 2,073, while the Canton library circulated 1,384, making a total of 3,457 in the two towns.

The calls for books at the 17 book stations of the county is steadily growing and during the past year 3,026 books have been sent out to the county stations.

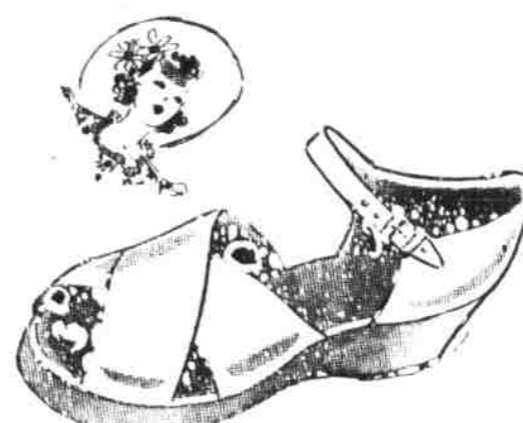

Announcement was made by the librarian of a gift of a table and chairs for the children's room by the Waynesville Woman's Club.

Plans were also made to have printed book marks "In Memoriam", to be used in books that are being presented to the county library as memorials to various people. This action was taken due to the numerous requests by the public regarding the presentation of memorial books, a great many to be made in memory of men killed in action during World War II.
