Kidneys Must Work Well
For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.
Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence.
At all drug stores.

DOAN'S PILLS

Operetta To Be Presented At East Waynesville, 13th

Minature version of the opera, "Hansel and Gretel" will be presented at East Waynesville school on Friday evening, April 13th at eight o'clock.

The same operetta will be given at the Central Elementary and Hazelwood school during May.

Mrs. John R. Carver, school district music teacher, assisted by the teachers of the various schools is directing the presentation of the operetta, with Mrs. W. L. Matney, piano teacher as accompanist.

The operetta of three acts will have 40 children taking part, with the following cast: Peter, a broom-maker, George Dewey Stovall; Gertrude, his wife, Mary Jane Rogers; Hansel, their son, Stanford Massie; Gretel, the daughter, Carolyn Bishoff; witch, who eats little children, Shirley Connasser.

Songman, who puts little children to sleep, Robert Hale; Dawn Fairy, who wakes little children, Betty Felmet; chorus of Gingerbread children, fourteen angles, who make a tableaux; small fairies who dance and sing.

There are 14 musical numbers in the operetta and the time will be around 50 minutes. A small admission fee will be charged.

Allen's Creek News

Mrs. George Singleton and son Samuel of Vancouver, Wash., are visiting relatives and friends.

Pvt. Bill Wright spent the weekend here with his wife.

John Singleton, seaman first class, spent the weekend here with friends.

Miss Helen Jane Williams, daughter of Mr. and Mrs. Virge Williams is a patient in the Haywood Hospital.

Friends here regret to learn of the death of Floyd Grasty, Jr., son of Mr. and Mrs. Floyd Grasty, which resulted from a plane crash in California.

Checks Totaling \$12,000 Awaiting Milk Producers

(Continued from page 1)

38 had been paid to the dairy farmers of this county since October 1, 1943.

Plans for the continuation of Dairy Production Payments through the last nine months of 1945 have been announced by the War Food Administration. According to Mr. Francis, the announcement definitely extends the program for another three month period—through June 30, 1945, and continuation of the program after this date is necessarily conditional upon the approval of Congress. The specific rates of payment after June 30 must also remain subject to later revision.

Subject to these conditions, Mr. Francis continued, the rates of payment on whole milk for April will be 90 cents per hundred weight, May and June will be 55 cents per hundred weight; for July, August and September, 65 cents; for October, November and December, 90 cents. The rate of payment on butterfat deliveries will be 10 cents per pound, through September, in October through December, 16 cents per pound.

The AAA leader pointed out that under the proposed program, the seasonal pattern of rates is adjusted so as to encourage more milk in the fall and winter months when it can be more effectively utilized and will help to relieve seasonal shortages. The scheduled program will give dairy farmers about the same average rate of payment on whole milk as in 1944 and a substantially higher rate on butterfat in cream.

This program came to the rescue of dairy farmers in October,

DEATHS

John M. Gaddis

Funeral services were conducted on Tuesday afternoon at Richland Chapel for John M. Gaddis, 63, native of Haywood county, who died at 9 a. m. Monday at his home on Chestnut Park Drive, Rev. Roy Shelton and Rev. Robert Gaddis, officiated. Burial was in Greenhill cemetery.

Serving as pallbearers were: Charlie Gaddie, Garrett Gaddis, James Gaddis, D. J. Noland, Claude Howell and Branner Mitchell.

Surviving are the widow, former Miss Hattie Watkins, three sons, Sgt. Harry Gaddis, Pfc. Gerald Gaddis, and Pfc. John Gaddis, all now serving in Germany; five daughters, Mrs. Carl Shelton, Mrs. James Gardner, Mrs. Wiley Williams and Mrs. Elbert Ray, all of Waynesville, and Mrs. C. C. Fish of Canton; three brothers, W. M. Gaddis and J. R. Gaddis, of Waynesville, and Rutledge Gaddis, of Canton.

Garrett Funeral Home was in charge of the arrangements.

Husband Former County Resident Buried Saturday

Funeral services were conducted last Saturday in Morristown, Tenn., for Rev. Arthur Hale, retired Baptist minister, husband of Mrs. Fannie Haynes Hale, of Haywood County.

Mrs. Hale is the sister of the late Claude Haynes of Waynesville, and former registrar of deeds.

Rev. Mr. Hale is survived by his wife, one son, Lowell Hale and a daughter, Mrs. Paul Massengill, all of Morristown.

Mrs. Claude Haynes, sister-in-law, attended the funeral.

Thomas F. Davis In Bremerton, Wash.

Thomas F. Davis, motor machinist mate 3/c, USNR, is now stationed with the ship repair unit which is in training at the Puget Sound Navy Yard in Bremerton, Wash.

He is a graduate of the Crabtree-Iron Duff high school and at the time of his enlistment in May, 1943, in the Naval Reserve was employed by the Newport News Shipbuilding and Dry Dock Company as a shipfitter.

He took his boat training at Bainbridge, Md. and reported to the Puget Sound Navy Yard for further training in September, 1944. The ship repair unit program trains naval personnel to do the repair and overhaul work which keeps combatant vessels in fighting trim. During the training period, the navy men work with civilian employes in naval establishments where many classes of vessels are undergoing actual repair.

Accidents 90 Per Cent Preventable

Industrial surveys show that nine-tenths of all worker accidents can be prevented.

1943, when it was realized that the difficulties under which these producers were operating were rapidly increasing—feed prices rising and labor shortages becoming a real headache.

He cited a recent report that revealed the currently increasing price of hay and labor shortages. These conditions are still everyday worries of the dairy farmers and the continuation of dairy payments will help milk producers cope with these handicaps, thereby encourage every possible effort to meet the increased 1945 milk production goal.

Mr. Francis urged all milk producers to continue keeping accurate records and assured them that they would be notified relative to any additional information received by the county office concerning the dairy Production Payment Program.

TWO ALERT ON A LISTENING POST

SURGEON JAMES J. GRIFFITHS, U. S. Public Health Service, and this little refugee miss seem equally professional and intent as together they check her heart in the nursery of a Coast Guard-manned transport crossing the Pacific. She's from the war-torn Orient and he's originally from Houston, Tex. This is a U. S. Coast Guard photo. (International)

WINNERS OF ACADEMY AWARDS

PROUDLY HOLDING THE "OSCARS" awarded to them in Hollywood for the top film performances of 1944 are (l. to r.) Barry Fitzgerald, Ingrid Bergman, and Bing Crosby. Fitzgerald won the statuette for his supporting role in "Going My Way," Miss Bergman for her acting in "Gas-slight," and Crosby for his work in "Going My Way." (International)

PANAY SEEN AS MAJOR AIR SITE

ANNOUNCEMENT THAT PANAY already is completely controlled by American and guerrilla forces was followed by Gen. MacArthur's statement that the captured airfield on the Philippine island is capable of development into one of the major Pacific air bases. The field is just outside the capital city of Iloilo (A) which the invading American forces found virtually destroyed by the retreating Japs. The invasion of Panay marked the eighth major landing made by our forces in the archipelago. The others were (right): Leyte (1), Samar (2), Mindoro (3), Lingayen Gulf (4), Subic Bay (5), Mindanao (6), Palawan (7). There have been some 27 minor landings on various islands and beaches. (International)
