Spring Tonic

Navy blue suit with detachable collar.

By VERA WINSTON

NAVY WITH a touch of white is a good sartorial spring tonic, especially when it is used for a suit as smart as this model. Double flap patch pockets lend animation to the slim silhouette, the fabric is navy woolen. The white bird's eye pique collar is detachable. The straight skirt is seamed center front and is gored in back.

ALTHOUGH HER ENGAGEMENT was supposed to have been kept a deep secret, Shirley Temple—like any other young lady of 16—couldn't resist the temptation of wearing her diamond ring. Her schoolmates noticed it and the secret was out. Here is the first picture of the famed screen starlet and her fiance, Sgt. John George Agar. (International Soundphoto)

Mrs. H. L. Marley returned Wednesday from Charlotte, where she had been the guest of relatives for several days.

women and girls get wanted relief

functional periodic pain

is a liquid medicine which relieves the cramp-like agony and nervousness of functional periodic pain. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite and digestion. It helps build resistance for the "time" to come.

2. Started 3 days before "your time," it should help relieve pain due to purely functional periodic causes. If it helps, you'll be glad you did.
