

Congratulations to Dayton Rubber Co.

Yours is a proud record

MINDFUL of the splendid production records established by the Dayton Rubber Co. plant in our all-out war effort, we take this occasion to pay tribute to the men and women that have made this achievement possible.

NOT only are your production achievements measured in actual vital goods manufactured, but also in the eyes of the nation—in patriotism . . . and in the eyes of our state—in citizenship.

YOUR job, whatever it might be, is vital in speeding Victory and in true American Spirit we know that you are doing this job to the best of your ability.
