

Outstanding Programs At Lake During All August

The ensuing weeks are expected to bring to the Lake a number of Southern mountaineers who will take their annual vacation here. For their benefit, as well as for the benefit of the resident summer colonists, Dr. F. S. Love, superintendent, has arranged for daily programs and programs featuring music emphasis during the month of August. In addition, a number of unprogrammed events are in the offing. Among those for which tentative plans are pending are a regional meeting of Salvation Army leaders, a group of Christian businessmen to discuss post-war reconstruction, and probably a meeting of the North Carolina Baptist Sunday School Union.

The annual meeting of the Southern Jurisdictional Council is set for August 11, 12, under the chairmanship of Dr. W. F. Quillen of Atlanta. The College of the South, also in session on these dates under the presidency of Bishop Clare Furell, of Charlotte.

Nation Facing Drastic Coal Shortage This Winter

WASHINGTON—Warnings that American homes will be colder than ever next winter and that American industry must go on a four-day week unless the Army-furlough coal miners were voted yesterday by Solid Fuels administration.

Secretary of Interior Ickes, who is head of the fuel administration, told a Senate committee that 30,000 miners should be furloughed on immediately to prevent a prospective

Senate Takes His Advice

SENATOR ELLIOTT personally asked the Senate to adopt the "Emergency Security Charter," which was done Saturday. He is seen here with the historic document before him.

deficit of 27,000,000 tons of coal next winter.

To J. J. Dutton, deputy solid fuel administrator, followed him in the Senate war mobilization committee that he expected all industry, including steel mills, to have to go on a four-day week this winter unless sufficient coal was released from the military service so as to increase coal production to an adequate rate. "I like and next winter will be the coldest of the war for the people of the United States. This could be true even if we did not send a pound of bituminous coal to Europe."

Mrs. Moseman At Commissioning Of Heavy Cruiser

Mrs. Roy Moseman was a special guest at the commissioning of the cruiser USS Annapolis at the Washington Navy Yard recently. She was accompanied by her husband, who is a member of the local club. Mrs. Moseman attended the commissioning of the ship because of her husband's interest in the navy.

The Annapolis ship was christened by the wife of the Annapolis mayor. The ship is a 70-foot long and 675-foot long. The ship has a main battery of eight 8-inch guns and secondary and anti-aircraft armament. The ship will be in service with the navy for several years.

Hundreds Attend Singing Meet Last Year

The annual singing convention sponsored by the Mountain Division of the Salvation Army will be held on Sunday at the above headquarters of the Army at Maple Springs. The public is invited to attend and bring a basket lunch for the noon hour.
