W. "BILL" M. COBB
New Owner-Manager

For many years I have wanted to come back to this section to live, and own a business. Since that desire has been fulfilled, needless to say I am very happy in having been able to acquire this business.

I looked over many fields, and lots of lines before deciding on any one. I bought the Firestone line because I found it superior in quality and lower in price to the others. I decided on Waynesville for many reasons, but mainly because I have always liked the people of this section.

I'm just plain Bill Cobb, always ready to serve you in any way, and especially anxious to meet you soon. **BILL COBB**

Thank You...

It is with a pang of sorrow that I turn over this new store, opened just a year ago, to Bill Cobb, whom I unhesitatingly recommend to you as a merchant, citizen and gentleman.

I have no definite plans for the immediate future, other than to help Mr. Cobb for about 30 days. By then I might have something to say, but right now I want to thank each of you for your patronage and assure you that Mr. Cobb will carry an even larger stock of merchandise than we have carried.

J. C. GALUSHA.
