Tryansylvania Site Considered For State Hatchery

John D. Findlay, commissioner of game and inland fisheries of the state department of conservation and development, and the members of a committee appointed by the department to select a site for a small mouth bass hatchery in the mountain region, visited this section during the week.

The committee has under consideration one site in Transylvania at John's Rock in the Pisgah Naional Forest at the confluence of John's Creek and Grogan Creek.

The commissioner and the mem pers of the committee were acompanied by Ralph Fisher, of Brevard, member of the General Assembly, W. W. Huber, forest ranger, R. W. Everett, chairman of the Tryansylvania Wildlife As-

eciation and Ira Armfield. Members of the state group naking the trip, in addition to Mr. Findlay were Floyd Crouse, of Sparta, chairman, A. H. Guion, of harlotte D. M. Stafford, Greensboro, and Robert W. Proctor,

KAY KYSER TO QUIT SHOW BUSINESS

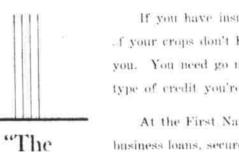

Kay Kyser, the North Carolina boy who made good, announced from Lake Arrowhead that' he is planning to quit the show busi-"I'm tired because I've been trying to do too much. I have a wonderful wife. I have financial security and I'm young enough forty—to feel that a fellow should enjoy life while he can. I'm going to spit and whittle awhile

If you suffer from hot finshes, a bit blue at times—due to the functional "middle-age" period peculiar to women—try this great medicine—Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound suffer nature. It's one of the best known medicines for this purpose. Follow label directions.
