Mountaineers Ready To Meet Murphy Friday Nigh

Bryson City Is Defeated 14-0 In First Game

Coach Weatherby Puts Local Team Through Hard Practices For Second Game of Season.

The Waynesville Mountaineers were hard at work this week in Murphy Friday night at 8 00 o'clock | Mr. Plott. on the local grulicon. The Mountaineers came out of the Bryson City game last Saturday with only minor injuries which it is expected to be eliminated by the time the game starts this week.

Murphy is expected to bring a fighting eleven to Waynesville, although not much is known about them this early in the season.

Coach Weatherby has been put ting the locals through rough work outs in smoothing out his football machine and taking out the kinks that showed up in the first game last week. It would not be sur prising to see new faces in the starting lineup this week, although the boys played fairly good ball

The football season officially opened last Saturday night when the local gridsters downed a fighting Bryson City eleven 14 to 0 There were some 900 tans present for the opening game. The affair was scheduled for Friday night but due to rain the game was postponed to Saturday.

The Mountaineers scored in the second and final quarters of the RT game; the first sence coming after a forty-yard march with a long pass from Robinson to Milner plac- LH ing the ball on the 2-yard line RH where Robinson cracked over guard for the score. Robinson also drove the line for the extra point.

Late in the third period of the Gibson. game the Mountaineers again marched down to the one-foot line at the end of the quarter and on final score of the evening. Robinson again carried the extra point shortage in the nation's history. to March 1, 1945.

1945 Sale Fishing This Week's Licenses Exceeds Football Games Any Previous Year

The season just closed marked the largest total sale of fishing licenses ever recorded in Haywood County, according to G. C. Plott, ocunty game and fish warden. The total amount was \$3.311 as compared to a sale of \$2,930 last year.

Up to the past year the largest sales were totaled in 1942 when preparation for the game with they reached \$3,105, according to

The number of licenses sold was 2.228; non-residents were 285; nonesident daily were 114; State icenses reached 951 and State daily were 191, while the county were 915

Among the states from which the majority of the non-resident sportsmen came were: Tennessee, Ohio Kentucky, South Carolina, Georgia and Florida

through the line.

Due to the fact that this is the rarliest in the history of the school that the football season has opened, a number of summer visitors were on hand for the game. A number of them have expressed that it was up to standard to schools of much larger rating and sere well pleased.

Lawn Mowers-Prewar Versus Postwar

those pictures of a postwar life of ease. He was sweating over his lawn mower the other day, when somebody shows him pictures of a mower that runs under its own power.

"Shucks," says Will, "I like a lawn mower that gives you some backtalk and exercise. It gets the old blood circulating and works up a wonderful thirst.

"Then," Will adds with zest, "there's nothing in the whole world that tastes as good as a, cheerful glass of beer!"

Will Curry isn't falling for | From where I sit, there's a lot of good sense in what Will says. A little honest effort never hurt anybody. And there should be more to our post-war plans than how to make life comfortable and easy.

Outdoor work-work you do with your hands and your back -ought to be part of everybody's post-war plans. And on a hot day, as Will says, there's always that sparkling glass of beer as a

Come Back Home **Jobs Are Waiting**

LOT of our patriotic instance, a lot of people around A neighbors left home to serve their country, either in the armed services or in war

If you are one of them, we want you to know there is a warm welcome and a job waiting for you here.

We hope you will come back to make your home here among your old friends and neighbors. This is a good town with a lot of fine people-and a fine future.

Plenty of Jobs Here

In addition to the opportunities here with which you are familiar, some new ones have developed during the war. For here have been making good money working in pulpwood. The tremendous war-time demand for pulpwood will continue because of the civilian demand that has been piling up and the many new industrial uses that have been discovered. Pulpwood has no reconversion problem.

And that is typical of most of our business here. It runs along pretty steadily-no big ups and downs. You can enjoy security here and a nice way of living that doesn't cost every penny you make.

So come on back home to stay! We'll be mighty glad and proud to have you with us

Cut this out Mail it to somebody you want to come back home
