

Kennedy For Merit

Frank S. Kennedy, Jr., of Johnston Creek, who returned from 20 months in the European theater, is spending a 30-day leave in his parents' home.

Kennedy, who entered the service in 1941, was in Fort Bragg and attended the National Military School at Belvoir, where he was commissioned as a second lieutenant.

After being sent to Camp and on maneuvers prior to being sent to the front, he was employed by the Paper and Pulp Company. He is a graduate of the North Carolina State College.

Kennedy has one brother, Major John Kennedy, who is now stationed on the Pacific coast.

Kennedy received the Legion of Merit for his part in the performance of his services in North Africa from 7 January to 15 September 1944. As an engineering and assault trainee, he supervised and facilitated the Allied spring offensive in Italy and beyond.

Kennedy's company was an important part in the advance of the regimental team they supported under his personal supervision. He did an outstanding job in all situations.

With his inspiring leadership, they improved their position across the CAPO line under small arms fire and were able to support the success on S. Ridge, and at the end of the day, his men built a road through the heavy fire.

He played the situation of the day, who could not be supplied otherwise. His handling of the problems and his inspiring leadership were of great help to the regimental team which was there.

LADY SPIT LIQUIDS FOR

After every meal, a lady used to spit up a liquid mixed with half-digested food. She was awful. At times she would strangle. She had daily headaches and irregular bowel action.

She ate her meals and she says the food agrees with her. She is also free of headaches and bowels are regular.

Long's Chapel Holds Conference

The fourth quarterly conference and annual church conference will be held at the Junaluska Methodist church Sunday evening. The members of the church will meet at 7:00 p. m. in basement for a cover dish supper, after which the conference will be called to order by the district superintendent, Walter B. West. Principal items of business will consist of reports given by the pastor, Sunday school superintendent and heads of organizations. Officers will be elected and committees appointed for the ensuing year.

Kindergarten Opens Today at Baptist Church

Mrs. Herman will open her kindergarten on Thursday morning at 9 o'clock in the Educational Building of the First Baptist church. Plans had previously been made to use the Sunday School rooms of the Methodist church but damp floors due to rain or a broken water pipe necessitated the change to other quarters.

At a business meeting the members of the First Baptist church unanimously and enthusiastically offered the first floor of the Educational Building to Mrs. Herman for the purpose of conducting a kindergarten for the children of Waynesville.

Mrs. Herman announces that she will be ready to receive children at her new quarters on Thursday morning at 9 o'clock. Mrs. Emmett Green will be associated with her in this worthy project. Children between the ages of 3 and 6 years of age will be accepted. Any parent wishing to send their children are asked to contact Mrs. Herman.

How did the famous Third get more medals of honor than any other division or whole army? It lost its whole number twice and many of the third replacement.

WAR CRIMINALS FACE TRIAL

Day after day evidence is accumulating against Hitler's arch assassins, the Gestapo and the SS (elite guard), and 400,000 Nazis will soon face trial for their brutal treatment of Allied POW. Death penalties will follow conviction for the higher-ups and the lesser "small fry" will be given hard labor sentences.
