

# Scrappy Marion Team Plays Here Friday Night

## McDowell Team Always Puts Up Stiff Opposition

### Mountaineers Came Through Murphy Battle In Good Shape, Ready To Tackle Marionites.

The Waynesville Mountaineers will meet their third team of the current football season on the local field Friday night at 8:00 o'clock when they tangle with the scrappy Marion eleven. The Waynesville Township high school band will also be on hand for the game.

The Mountaineers have been practicing hard for the coming tilt with Marion, and as a general rule the visitors have a scrappy eleven, but so far this season have not won a game out of the two played. They fell to Brevard, 13 to 6 and also Newton, 13 to 6, but they are scheduled to give the locals a run for their money.

Coach Weatherly is not yet satisfied with the way his Mountaineers are playing and has been putting them through rough workouts trying to smooth out the kinks that have come to the surface during the past two games. He stated that no serious injuries resulted in the Murphy game and that the probable starting line-up would find Messer and Richeson on the ends, Caldwell and Morrison at tackle, Wilson and Carver at the guard positions and Ferguson at center. In the backfield, Robinson at quarter, Powers at left half, Milner at right half, and Minnett at fullback.

## Mountaineers Down Fighting Murphy, 21-12

The Mountaineers football eleven downed a fighting Murphy team on the local field last Friday night by a score of 21 to 12, with close to 1,000 fans witnessing the contest. The local band also made their debut at the half time.

The Mountaineers led the scoring throughout the game although at one time in the first period the score stood at 7 to 6, and again in the second period it was 14 to 12.

The first score of the evening came when Milner, halfback for the locals, galloped 23 yards to reach pay dirt. Robinson pounded the line for the extra point. Not long after this, Brendle, snappy quarterback of the Murphy eleven, came through with a 30 and 15 yard run for the first score for the visitors. The extra point failed. This put the locals in the lead 7 to 6.

In the second period Waynesville recovered a Murphy fumble down in the visitors territory, where Minnett skirted the end for 26 yards and the Mountaineers second tally. A pass from Robinson to Milner netted the extra point. Murphy came back under very much the same circumstances to get their second score. Recovering a fumble by the locals on the two yard line, Alexander plowed through the line on the second try for the score. Again the extra point was no good. The score, 14 to 12 in favor of the Mountaineers.

The locals last score of the evening came about midway of the last period when they started their march on the Murphy 40-yard line and drove to the 15 where Minnett skirted the end for the score. Robinson drove the line for the extra point.

The Waynesville Township high school band performed for the first time this season at the half, forming the visitors "M" and also playing their Alma Mater, they also serenaded the local stands. They were very colorful in their marching and added quite a bit to the activities of the evening.

## Tom Medford, S 1/c, Serving Aboard Skagit

Tom Medford, Seaman First Class, son of Mr. and Mrs. Bryan Medford, is serving aboard the USS Skagit, which was commissioned on May 2, 1945, in Brooklyn and was a member of the Task Force which steamed into Tokyo Bay on Sept. 2 at approximately the time the peace treaty was signed. The ship on which young Medford is serving passed within a mile of the USS Missouri.

Seaman Medford entered the service as a volunteer in August, 1944, but was not called to active duty until November of that year when he reported to Bainbridge for his boot training. Later he was sent to the Brooklyn Shipyards and had six weeks training prior to being assigned to sea duty.

Since the departure from the States June 3, the Skagit has traveled 21,000 miles, or an average of 7,000 miles a month, it was learned from Seaman Medford in a letter to his father. The Skagit will be used in the occupation of Japan along with a vast number of U. S. ships and will have an important part in the final phase of operations against the Japanese Empire.

## ARMY TO CUT DOWN ON PURCHASES

## Canton All Set For Game With Morganton High

### Black Bears Defeat N. C. School for Deaf; Prime For Morganton High.

The Canton High Black Bears came out of their hard fought 20-0 victory over the North Carolina School for the Deaf Friday night in good shape and are working hard this week for their game at Morganton Friday night with the Morganton High Wildcats. The Black Bears regard this as one of the toughest games on their schedule and will have to be at their best to cope with the Wildcats. Morganton took last year's game with a 20 to 0 score and the Bears are wanting revenge.

The Bears showed some improvement in their defensive play Friday night, but Coach C. C. Poindecker is putting in some extra practice in this department in an effort to check the strong running and passing attack that Morganton is reported to possess. Some more changes will likely occur in the forward wall as a result of these practice sessions.

A large crowd of Canton fans is expected to go to Morganton Friday night. The game is scheduled to get under way at 8 p. m.

In the game last Friday night Fullback Ted Stiles set up Canton's first touchdown midway of the opening quarter when he recovered a fumble on the Morganton 15, and in two cracks at the line, Halfback German Miller scored. He also hit the line for the extra point.

In the second period Quarterback Red Ivester returned a punt 17 yards and then lateraled to center Getter O'Dear who scampered the remaining 40 to the goal. The half ended with the Black Bears threatening on the opponent's 3-yard line.

A 52-yard runback of a punt by Ivester and a forward-lateral combination on which Buster Trull picked up 18 yards, put Canton in position for Miller to plunge over for their third touchdown from two yards out. Stiles picked up the extra point through the line.

Tuttle and Dollard sparked a Morganton drive in the second quarter that carried them to Canton's one-yard line. Again in the final period Dollard was the big gun in a visitor's offensive thrust that carried to the 14 yard stripe before the Black Bears held.

O'Dear and Vance of Canton, and Harrell and Reynolds of Morganton were the outstanding defensive players in the game which was witnessed by some 1,500 fans.

## Local Men Are Listed As Hunting Authorities

The Department of Conservation and Development have just sent out a memorandum on hunting in the state. The areas are broken down, and the best hunting in each county is given, together with those in the counties that can furnish reliable information on different game.

For Haywood, the list gives Claude J. Reece as a good source for information on deer. Dr. N. M. Medford on bear, C. E. Weatherby on quail, with Roy Parkman for general information together with G. C. Plot, county game protector. The list gives guides for waterfowl hunting in the eastern part of the state. No guides are listed for hunting this area.

the pincushion for "disturbed and ill-tempered people." The thought stuck with me. It doesn't hurt a pincushion to stick needles or pins in it; that's its purpose. It is so constructed that it can safely absorb a good number of pins and needles.

Most of us are not born with a pincushion disposition; we have to acquire it. The task is not easy, but the results are highly satisfactory.

The world is full of poor unfortunates who take an unholy delight in needling other people, pushing pins into their feelings. They like nothing better than the satisfaction of feeling that they have inflicted a hurt. If they don't accomplish that, they will soon stop. These people are to be pitied; they are ill, physically, mentally or spiritually. Usually they can be healed by proper treatment. I find it quite an interesting game to try to disarm those who make such attacks. Then I try to help them if I can. They are usually very unhappy; the peace of God is not with them. I try to bring them to know our Lord, who took the insults and abuse of men and women long since forgotten. He prayed for them, "Father, forgive them for they know not what they do."

There is a wealth of wisdom in the old prayer, "Father, give

## Mass. Court Puts Ban On "Strange Fruit" Book

BOSTON—The best selling novel "Strange Fruit," written by former missionary Lillian Smith, was ruled "obscene, indecent and impure" by Massachusetts supreme court, which upheld conviction of a merchant for selling the book.

The ruling, in effect, supported Boston's notorious behind-the-counter method of book banning by which "Strange Fruit" and three other novels were withdrawn from dealers' shelves last year. However, it was indicated that Literary Critic Bernard De Voto and Prof. F. O. Matthiessen of Harvard University, who precipitated the test case, might carry their fight to the U. S. Supreme Court in Washington.

In a 17-page majority opinion, the state's highest court declared: "The book" contains much that even in this post-Victorian era would tend to promote lascivious thoughts and to arouse lustful desire in the minds of substantial numbers of the public."

The court said that some incidents in the book "had a strong tendency to maintain a salacious interest in the reader's mind and to whet his appetite for the next major episode."
