

IT IS IMPORTANT

THAT YOUR ARRANGEMENTS FOR Pastures -- Lime and Phosphate BE MADE NOW!

In Order to Accomplish This We Recommend That

1. You Contact Any of the Agricultural Agencies About Developing PERMANENT PASTURES or Improving an OLD PASTURE. The AAA Pays Up to \$6.00 Per Acre for New Pastures and up to \$4.00 Per Acre for Improving An Old Pasture. These Amounts Are Not Limited to Your Soil Building Allowance.
2. You Contact Any of the Agricultural Agencies About the Use of Lime and Superphosphate This Fall. The AAA Pays Approximately 80 Per Cent of the Cost of Lime and Phosphate up to the Amount of Your Allowance.
