

Mountaineers To Meet Elizabethton Here Friday

Tennessee Squad Tough Opposition: Game Set At 7:30

The strong Elizabethton grid eleven will invade Waynesville on Friday evening to meet the Mountaineers in their fourth game of the current season. The visitors are very highly rated and will give the locals their supreme test this year. The game time has been changed to 7:30 instead of 8:00 o'clock as has been the time of the previous games.

The Mountaineers have been working hard for the coming engagement, but according to Coach Weatherby, several of his players have minor injuries and are not up to par in this week's practice.

Just for a bit of comparison, the Elizabethton team downed Young High of Knoxville with a substantial margin. Young High in turn defeated Asheville, which gives you the idea that the visitors will present a well rounded team.

A bit of news from Canton has reached us that the game between the Black Bears and Warren-Wilson Junior College has been postponed until Saturday night to give Canton fans a chance to see the local game. As you know next week is the annual clash between Waynesville and Canton at Canton.

The Waynesville band will be on hand for the beginning of the game and perform at the half. It is expected that some additional movements will be given this week to take up the full time during the half.

The probable starting lineup for The Mountaineers will find Messer and Richeson at the ends, Caldwell and Morrison at tackles, Wilson and Carver at guards and Ferguson over the ball. In the backfield, Robinson at quarter, Powers and Milner at the halves and Minnett at fullback.

Mountaineers Battle Marion To Six to Six Tie

The Mountaineers of Waynesville battled a stubborn Marion eleven to a 6 to 6 tie on the local gridiron last Friday night, with the usual large attendance. The locals had several good chances to add additional points but were held by the visitors.

The Mountaineers scored early in the game after an 80 yard drive with Robinson on a spinner gaining most of the yardage and the help of a 15 yard penalty. The locals drove to the 2 yard line where Minnett plowed through the line for the score. A pass attempt-

ed for the extra point failed to connect.

Marion came back strong in the second quarter to make their only score after a 45 yard march with Culbertson going over from the 3 yard line. The extra point was no good.

The Mountaineers on several occasions were within the ten yard line of Marion but lacked the punch to reach pay dirt. At the end of the first half the locals had possession of the ball down on the one yard line. In the second half they again threatened to score but had to give the visitors the ball on downs on the two yard line.

The locals have not lost a game this season, having downed Bryson City 14 to 0, and Murphy 21 to 12 and the tie game with Mar-

ion, 6 to 6.

The Waynesville Township High School Band added color to the game at half-time with their marching and forming of the letters of the two teams. Plans are for some added attractions for the game this week.

N. C. Corn Crop Can Be Larger

North Carolina's record corn crop may have been set back by the floods in the eastern parts of the state. However, state agriculture experiments say that next year's crop can well reach nine to ten million bushels more than this year's if expected production of Hybrid corns are put to good use.

Reports from farmers themselves say corn production can be doubled with improved practices of fertilization, spacing and shallow cultivation combined with the use of well adapted corn Hybrid seed.

Special Deer Hunt To Be Held In Pisgah Game Preserve From Oct. 15-27

Hunt Will Be Confined To 60 Local Persons Daily, In Areas Never Before Hunted.

A special deer hunt for the sportsmen of Western North Carolina will be held on the Pisgah National Game Preserve starting on Monday, October 15, and ending Saturday, October 27. Bill Huber, ranger, and J. H. Longshore, refuge supervisor, announced today.

The hunt is to be confined to special areas in the forest that have not been hunted on previously or only slightly, and the hunt is for local persons.

All hunters must have a state hunting license and wear red hunting caps. The firearms must be non-automatic rifles of a calibre 250-3000 or 25-35 or larger with the exception of the 32-20 rifle. Ranger Huber said. Bows and arrows, shotguns and tracer bullets will not be permitted. The cost is \$1.00 per day.

The daily hours for hunting in most areas will be from 7:30 to 6 p. m., with checking station opening at 6:30 a. m. Only the areas that are open will be hunted and those violating this regulation will be subject to prosecution and cancellation of hunting privileges for five years. All cars will be subject to inspection and intoxicated persons will be expelled from the area.

Canton Meets Warren-Wilson Saturday Night

Black Bears and Morganton High Ended in 6-6 Tie Last Friday Night

Enthusied by their upset 6-6 tie with the high powered Morganton High Wildcats Friday night at Morganton, the Canton High Black Bears are putting in a hard week of practice in preparation for their game here Saturday night at 7:30 with Warren-Wilson Junior College. The game was moved from

Friday night to Saturday night to avoid conflict with the game at Waynesville between the Waynesville Mountaineers and Elizabethton.

In upsetting the dope bucket to tie Morganton, the Black Bears played their best all-round game of the season. The Bears entered the game as under-dogs but matched the greater size of the Wildcats in every department and deserved the tie. The entire Canton team played good football. The Black Bear touchdown was scored by quarterback Buddy Ivester on a pass from halfback German Miller.

Coach C. C. Poindexter is experimenting some more with the Black Bear line this week in an effort to find the best working combination. Intensive drills on the fundamentals of blocking, charging, tackling, passing and punting are being held daily. The Canton High School Band will be on hand Saturday night to play for the game and a large crowd is expected.

Following the Warren-Wilson game the Black Bears will meet Waynesville on the Canton field Friday night, October 12, in their biggest game of the season.

Considering the speed some motorists are getting out of the admittedly inferior wartime gasoline, think how they will burn up the streets when this fine new gas we've been promised hits their tanks.
