

Heavy Foliage Hampers Deer, Bear Hunts

Waynesville Held on This Play Near Goal

The Canton line made a gapping hole for their backs to come through, to go four yards to a goal, but Waynesville held them for no gain on this play. Canton center, Getter O'Diear, is shown on the ground looking back at the ball, while Waynesville's co-captain Robinson, No. 62 (left) and Bill Richardson, No. 88, Waynesville end, get ready to enter the play. This was in the last of the third quarter. (A Mountaineer photograph.)

SPORTS NEWS BRIEFS

LOUIS AND CONN TO MEET IN JUNE, 1946

Joe Louis and Billy Conn are scheduled to meet again to fight for the world's heavyweight championship in June, 1946, according to Promoter Mike Jacobs.

With about nine months to build up ballyhoo, the promoter feels he can work up a \$3,000,000 gate for the fight.

The first time the two fighters met was in 1941 when Louis knocked out Conn in the 13th round to defend his title, after Billy was leading on points. Both entered the army before they could meet again.

FOXHUNTERS END ANNUAL MEETING

North Carolina Foxhunters Association will conclude their 4-day meeting in Winston-Salem today, which features chases each day, and a showing of dogs on the fairgrounds.

The sportsmen had 5,000 acres of rough territory near Lewisville to stage their chases.

ENRIGHT NAMED DIRECTOR AT U. OF SOUTH CAROLINA

Former Coach Rex Enright of the University of South Carolina has been named athletic director of the University as he returned with a Navy discharge.

The director has a new 5-year contract, and plans are being pushed to enlarge the stadium by fifty per cent.

Touchdown Pass Broken Up

Bob Milner, Mountaineer halfback, is shown here breaking up a pass to Ted Stiles, Canton fullback, as he stood on the goal line in the last quarter of the game Friday night. On the next play, the Canton Black Bears went over for a score on an off-tackle play to end the game with a score of 25 to 0. (A Mountaineer photograph.)

Observations

(Continued From Page Four)

to the occasion, in addition to their excellent playing.

The Mountaineer photographer had numerous requests for the used photo bulbs by youngsters who wanted them for souvenirs. One boy was handed a bulb while it was still warm, and he thanked the photographer for it and turning to a pal, said: "Gee whiz, this is a fresh one, it's still hot."

It looked like college stuff when Coach Poindexter pulled out both

CORRECTION

The name of Mrs. Ben Phillips appeared in the guest list at a party given by Mrs. Jackson last week which should have been instead Mrs. Ben Bridges.

Robert W. Phelps, Navy, Stationed in Virginia

Robert W. Phelps, II, a second class son of Mrs. Wilma C. Phelps, of Fort Eustis, Lee Hall, Va., according to information received by his family.

Young Phelps entered the service in January of this year and took his boat training at Bainbridge, Md. He is a graduate of the Waynesville Township high school.

Sentinels of Health
Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living-life itself is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

National Forests Deer, Bear And Boar Hunting Dates Are Announced

A MESSAGE FOR PERSONS LIVING IN RURAL AREAS

Rural telephone service is more highly developed in this country than anywhere else in the world. We are developing a wide-range program to further extend and improve service to rural dwellers in the South. As soon as conditions permit, the necessary manpower and equipment will again be put to work on the job of extending rural service—just as we were busily engaged in expanding this service prior to the war. The goal is to bring the telephone to the greatest possible number of farm families.
