

Mountaineers Down Christ School 26 to 6

The Waynesville Mountaineers went to Arden last Friday afternoon to upset the Christ School Greenies by a score of 26 to 6.

The local gridlers took advantage of every break and placed heads-up football to down the favored Greenies. A lot of the credit goes to Robinson and Messer, who were tossing the old punter to perfection for long punts and scores. Minnett also hit the firelight with a 65 yard touchdown run.

The Mountaineers have been on the upgrade since the Canton game and it is the feeling among local fans that if they continue to improve in the next few games as they have in the past, the game on Thanksgiving will be a real scorcher.

Coach Weatherly has been well pleased with the improvement shown and has high hopes for the remaining season.

Local Juniors To Meet Christ School

The Mountaineer Juniors will meet the Christ School Juniors Wednesday evening at the local field. The purpose of these games are for the material of a year or two to get a little taste of what the game is like.

It has been a practice for Waynesville and Canton to have several games with their junior teams, but this year several out-of-town teams have been scheduled. The only exception being the game with the Greensville little on the light side on Nov. 12.
