C. A. George Hears From Relatives In Northern Greece

C. A. George has just heard from his two brothers and sister in Northern Greece for the first time in five years. They came through the war without being wounded, but suffered for food and shelter, the letters said.

The scarcity of clothing is now a major problem in Greece, the letters said. They received some money Mr. George recently sent, and he has shipped them a 272-pound box of clothing, which should arrive within a week or so.

The Germans burned the two towns where his relatives lived. Until this week, he had not been able to hear from them. One sister lost a son during the invasion.

He is now packing a similar box, and can use any clothing which can be brought to him.

All the letters contained words of praise for the American Red Cross and the part the American people played in the war, and the money sent their country.

Mr. George came to this county 28 years ago, and has not been back since.

Who was it that said that the Japs would sacrifice ten million men before surrendering?

COOKED A FINE DINNER; THEN THREW IT TO DOG

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of bloot, had headaches, felt worn out and was badly constipated.

Finally she got INNER-AID and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by All Drug Stores here in Haywood County.

Sgt. Lloyd Putnam Honored in Germany As "Soldier of the Week"

Sergeant Lloyd Putnam, of Waynesville, R.F.D., who is serving with the 78th Lightning Division with the Seventh Army in Germany was recently honored as the "Soldier of the Week" by the 309th Infantry Regiment.

His comrades relate that his combat pride lies not so much in his individual achievements as in the teamwork of himself and the men of his battalion wire team which enabled their outfit to carry on through the Siegfried line to the Schwammanau Dam, over the Rhine at Remagen and during the Ruhr pocket clean-up.

Sgt. Putnam wears the bronze star and had his share of the narrow escapes that befell combat men. He received the bronze star for "consistently outstanding work as battalion wire chief" and at Durnau, Germany established wire communication at a time when no vehicle could get through by hand-laying three and a half miles of wire.

After receiving basic infantry training at Fort McClellan, Sgt.
