SAFE, THOUGH STOLEN, FELL DOWN AND WAS SAFE

In San Bernardino, Cal., thieves used an electric hoist to get a 500-pound safe aboard a truck.

When the safe fell off the truck at a downtown intersection, there was no electric hoist handy so the robbers deserted the safe.

The safe was also stolen and got away from there in a hurry.

THE CLEAN-UP INFLUENCE OF HAYS WILL LINGER

Although Will Hays is now the censor of the movies, his wholehearted cleansing power will remain in activity for a long time.

When Hays took over the moving picture industry was just riding into a craze... Scandals that broke out with vehement fury all about the same time brought the government's attention to the fact that a scrubbing brush would be a necessity if the public was going to have the enjoyment of moving pictures.
