Doolittle To Get New Post With Shell Union Oil

Uniteriant General James II Dool te wno commanded the Under States 8th Air Force in more and the Pacific will reto the Shell Union Oil Corpotation on Jan. 1, 1946, as vicety substant ut was announced recent the corporation's offices: 50 1 Blieth street

Brones having general corpo tie responsibilities. General Dog lattle will co-ordinate the aviation interests of the Shell companies. the United States and assist cor Panies associated with She'll construide aviation activities 1 will make his headquarters in N York City and will be nominate to the board of directors at stockholde: " meeting in February

General Doubttle said recenthat, although he will be reheve from active duty just in time t assume his new duties he ha "several months" of terninal leave and him and he will be available to the Army during that period the declined to comment on his they position.

At the Shell offices, however, it as explained that Shell is one of the world's largest suppliers o wartion gasoline and that one of General Doolittle's principal task will be the promotion of commer stal aviation. He will also work closely with aircraft designers anmanufacturers to anticipate fue requirements.

Before going on active duty or July 1, 1940, as a major, Genera Doolittic had been manager o Stell's aviation department since La 15 1930 He had enlisted it he army Air Corps during World War I and was a first lieutenant hen he resigned his commission to with Shell.

Few officers had more spectar. war careers during World War I than General Doctittle. As a field meant colonel he led the cele the old raid of April 18, 1942 of the all Tokso that was launched from he miniaff carrier Hornet He a immediately made a pricalle a neval skipping the grade of
