

Miss Otten, Of New York, Wedded To Capt. Jennings On New Year

The marriage of Miss Helene Otten, of Larchmont, N. Y., and Captain Gordon Jennings, U. S. Army, was solemnized on Tuesday, January the first, at 4 o'clock at Long's Chapel Methodist church, Lake Junaluska. The vows pronounced by the Rev. M. W. Robbins and the Rev. Cecil Hebert, the latter pastor of the Chapel.

The altar of the church was banked in tall evergreens, on either side were four vases filled with white gladioli, and at intervals pronged candelabra with lighted tapers were advantageously placed.

Prior to the taking of the vows, Mrs. F. S. Love rendered a program of nuptial music including "At Dawning," by Cadman, "The Sweetest Story Ever Told" by Stultz, and during the ceremony she softly played "I Love You Truly." For the processional the march from Lohengrin was used and for the recessional the march by Mendelssohn was played.

The bride, who was given in marriage by Jarvis C. Conant, of Lake Junaluska, wore an ensemble of aqua sheer wool, with black accessories, her hat being a new spring model in straw. Her corsage was of white purple-throated orchids.

Mrs. Hugh Leach, of Lake Junaluska, as matron of honor, was the bride's only attendant. She wore an afternoon gown of sheer golden wool with black accessories, and her corsage was of light pink roses.

The bridegroom had as his best man, James C. Hurley, of Boston, Mass. Serving as witnesses were John Medford and Raymond Robinson.

The mother of the bridegroom wore a gown of burnished gold sheer wool with a corsage of yellow rosebuds. Mrs. Washington, grandmother of the bridegroom, wore black velvet and her corsage was of pink roses.

Following the marriage at the chapel, an informal reception was held at the home of Dr. F. S. Love, superintendent of the Lake Junaluska Methodist Assembly with both Dr. and Mrs. Love assisting in receiving. The guests were met at the entrance by Mrs. Dudley Moore.

The bride's table which was covered in a handsome lace cloth was centered with a crystal arrangement containing white spring flowers. At one end of the table was the three-tier wedding cake, decorated in the bride and groom and topped with a wedding ball. Arrangements of white gladioli were used throughout the table.

Following the reception the couple left for a brief wedding trip in Western North Carolina, after which they will return to Sunset Cottage, Lake Junaluska and remain until Captain Jennings will report to New Orleans for his next assignment on January 24th.

The bride is the daughter of Mrs. Arthur Otten, of Larchmont, N. Y., and attended Syracuse University, after which she was graduated from the New York School of Applied Design for Women. At the time of her marriage she held a position in New York City.

COOKED A FINE DINNER; THEN THREW IT TO DOG

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of bloating, had headaches, felt worn out and was badly constipated. Finally she got INNER-AID and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound.

Sgt. Lester Conard Receives Discharge

Sergeant Lester Conard, son of Mrs. Lettie Conard, of the Magie section of the county, has received his discharge from the service. He entered the army in March, 1942 and had to his credit 30 months overseas duty.

Sgt. Conard was inducted at Fort Bragg and left the states from Newport News, Va. He served in the China, Burma, India theater and was wounded in 1945 in India, having spent months in a base hospital.

Sort of Tough on the American Girls

"COMPLETE TO THE LAST SAFETY PIN," are the plans announced for the transportation of British brides and babies to the "land of the free," by the United Kingdom base headquarters. The army said there would be 26,000 wives and children processed up to December 20. Eight to ten passenger liners, yet unnamed, will be used to transport these families, but in no way will interfere with those ships bringing back the deployed servicemen. Kinder mean, isn't it, that the American girls will have to stand on the side lines and repeat that old phrase: "Of all sad words of tongue or pen, the saddest are these: 'It might have been'."

Rets Leather
Never wear shoes over bare feet, not even when substituting make-up for stockings. Wear pads or socks to absorb foot perspiration because perspiration has an alkaline effect which is very bad for leather. With leather high on the list of materials needed by the armed forces, civilians must take every possible precaution to keep shoes in good condition. The invisible pads and the socks should be washed after every wearing, particularly when worn with open-toe and open-heel sports shoes. Women should be just as dainty about these brief foot coverings as they are with full length hose.

Philippines
At the time Captain Jennings entered the service on January 15, 1942, with a commission in the Reserve Corps, he held a position with the Western Paper Company, at Salem, Oregon. He reported to Fort Benning when he was called to active duty and was then transferred to Camp Robinson, Ark., and later to Fort Hamilton, N. Y., prior to being sent to Iceland, his first overseas assignment, where he was stationed for 20 months. He has served in the European, American, and Pacific theaters. He reported to Fort Bragg upon arrival in the States and has been given a 45-day leave prior to reporting for duty. Captain Jennings plans to remain in the army.
