Nagging Backache

Warn of Disordered Kidney Action

Life with its hurry and worry, its habits, improper eating and drinking, its exposure and infection, its strain on the work, its wear out, its other signs, its failure to filter excess acid from the life-giving blood, its nagging backache, its dizziness, getting up nights, its swelling—feel constantly heavy, all warn out. Other signs of bladder disorder are some-thing, scanty or too frequent urination.
