Most Youngsters Who Get Into Trouble Come Out All Right

When kids get into devilment or even into serious trouble, they are inevitably headed for the primrose path. Not by any means. In other years, before the dread in younger years which delighted came into general use, kids were a dark corner. The law never nabinvolved in all sorts of scrapes, and most of them came through

These actual instances gathered in an informal survey without any attempt to pick out extreme cases, should remind us that kids have always been up to mischief or

self charged with problems of to break in a Boy Scout camp and delinquency, once helped some other boys burn down a garage when he was a youngster. It happened that their fire burned up an auotmobile, and almost destroyed a nearby lumber plant. Two or three of the boys were caught, and one went on to criminal career. This man was not caught, and came out of a respectable home to a useful career.

2). A successful business exhouse, and was caught by the cops. He suffered a real licking, and was genuinely fearful of further

3). A leading minister confesses to taking part in a little epidemic of stealing in his high school days. items in the long list of deliquen-

and thus eat on the house. He also belonged to a neighborhood gang "juvenile delinquency" in pulling trolleys as they passed bed him.

4). A well-known writer, at the age of 14, belonged to a gang specializing in wholesale shoplifting from ten cent stores, and spent several months at that fascinating game before a narrow escape from the police broke up the operation.

5). A prominent young merchant, at 12, joined with a gang rifle a commissary, making off with several boxes of candy and other edibles.

6). A promising young lawyer confesses to boyhood hobbies of breaking window lights, especially in school buildings, to sneaking in movies and athletic events by stealing tickets, walking in backward, or passing stubs to comrades outside.

7). A highly-regarded physician, ecutive once joined with a band of as a boy, admits to operating his boys who broke into a vacant rattletrap Model T Ford almost entirely on stolen gasoline siphoned from tanks of parked cars.

Almost any of these offenses, in these times, would be enough to bring a youngster before juvenile court, and make just so many more
