

This District Leads Entire State In The United War Fund Drive

Seven Western Counties Collect 97.5 Per Cent Of Entire Quota Given Area

Haywood county exceeded the United War Fund quota by 3 per cent, according to the final report just made by the state organization. Haywood's quota was \$11,500, and a total of \$11,543.28 was sent to the state treasurer. A. P. Ledbetter was county chairman of the drive.

This district, composed of Cherokee, Clay, Graham, Jackson, Macon and Swain, besides Haywood, led the entire state in percentage of quotas raised. Five of the seven counties in the district made 100 per cent or better, while the other two went slightly over 83 per cent.

J. E. S. Thorpe was district chairman, and a total of \$31,959.06 was raised in the district, with Haywood contributing more than a third of the total.

The record of the district by counties is as follows:

County	Quota	Raised
Cherokee	\$ 3,200	\$ 2,926.22
Clay	1,150	1,250.43
Graham	1,500	1,507.85
Haywood	11,500	11,543.28
Jackson	4,900	4,900.00
Macon	7,000	7,022.99
Swain	3,500	2,903.29

The state averaged collecting 78 per cent of the quota, for a total of \$1,438,350.98.

Bowel Cleansing Power Of Inner-Aid Medicine

One man recently took INNER-AID three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man, feeling fine in every way.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all Drug Stores here in Haywood County.

OPA To Allow Higher Prices For Automobiles

Washington—OPA has opened the way for higher prices for new automobiles as the result of the revised wage-price policy.

The agency authorized the Chrysler, Ford and Hudson companies to sell their cars on an adjustable pricing basis.

This means that they may be sold by both factories and dealers at present ceiling prices, with the provision that the buyer may be billed later for any amount by which OPA may increase ceilings. An OPA spokesman said there is no indication at this time as to how much the increase may be. He said the higher prices would be announced shortly.

The adjustable pricing order applies only to Chrysler, Ford and Hudson, the spokesman explained, because these are the only companies which have applied for increases thus far. They are asking higher prices to offset wage increases granted by each of the manufacturers.

The new order is applicable only to cars produced by the three companies beginning March 11. All cars produced previously and distributed must be sold at present prices, OPA said.

The order covers all passenger cars produced by Chrysler, Ford and Hudson. These are Plymouth, Dodge, De Soto, Chrysler, Ford, Mercury, Lincoln and Hudson.

Higher prices for automobiles had been predicted by Stabilization Director Chester Bowles, who has stated that price increases under the new wage-price policy could be expected for consumer metal products.

Funds Expected Soon To Rebury Servicemen

WASHINGTON—Senator Burnet R. Maybank of South Carolina, has predicted that Congress soon would complete favorable action on a bill authorizing the expenditure of \$195,000,000 for removal of the bodies of servicemen from foreign fields to American cemeteries—upon their relatives' request.

Mrs. Robert Hugh Clark spent the week-end in Atlanta, where she was the guest of her sister, Lt. Comdr. Lucile Platt, who is stationed at the Naval Air dispensary.
