Hazelwood Scored 14 Runs Over Martel Mills

Hazelwood Baseball
Team Won Second
Game Saturday,
Gathered 14 Hits
And 14 Runs

Hazelwood combined 12 hits with seven Martel Mills errors to defeat the latter on their home field Saturday by a score of 14-2.

Dudley, who hails from Indian Road, Md., again was the offensive spark in gathering a single and two doubles in six trips to the plate. Both of his doubles came with men on base, each one driving in two runs. Woodard started on the mound for Hazelwood but gave way to Blalock in the third inning because of a sore arm.

Hazelwood started the scoring in the second inning when Yount, first man up, singled and took second as the left fielder juggled the ball. The Martel pitcher was the victim of a trick when the third base coach called to see the ball. The pitcher failed to call time, and threw the ball to the coach who simply let it go and Yount took third with the Martel pitcher charged with an error. Milner walked, stole second and Yount scored on Gordon Wyatt's infield out. E. Wyatt walked, L. Woodard and Shook both struck out to retire the side, Hazelwood leading, 1-0.

Hazelwood picked up another run in the third. Dudley went out, pitcher to first, Glen Wyatt fled out to left field and Blalock singled. Yount singled, sending Blalock to third. Milner's single scored Blalock with Yount taking third. Milner was thrown out stealing to retire the side.

In the sixth inning Martel picked up a run when Brown, first man up, struck out. Lyles walked and Gibson's sacrifice sent Lyles to second. Blalock, attempting to pick Lyles off second threw into center field. Lyles taking third. White's double scored Lyles. Rector was hit by a pitched ball and Israel ended the inning by a ground ball to Shook at short.

Hazelwood scored five runs on five hits in their half of the 8th inning. Yount, first up, struck out. Milner beat out an infield hit and Gordon Wyatt walked. E. Wyatt came through with a double which scored Milner. Robinson was hit by a pitched ball, loading the bases. Shook struck out and Dudley came through with a double, scoring Gordon Wyatt and E. Wyatt. Glen Wyatt's single brought in Robinson and Dudley. Blalock beat out an infield hit and Yount went out pitcher to first to retire the side. Martel picked up their final run in the 8th when Brown's hit was lost in the weeds in left field and went for a home run.

Hazelwood made seven runs on two hits in the 9th. Milner walked and Gordon Wyatt was safe on an

error by the first baseman, Yount taking third and Gordon Wyatt second. Yount scored on E. Wyatt's fly ball to left field. Robinson was hit by a pitched ball for his second time and Shook's double scored Gordon Wyatt. Dudley's double scored Robinson and Shook. Dudley took third on a wild pitch. Glen Wyatt walked and Dudley scored on a double steal. Blalock walked and Yount popped up to the pitcher. Milner walked, filling the bases, and Glen Wyatt and Blalock scored when Gibson dropped Gordon Wyatt's fly ball to center. E. Wyatt struck out to retire the side.

Board Denies Diverting State's Wildlife Funds

FAYETTEVILLE — Vigorously denying that any wildlife funds had been diverted since 1939, the State Board of Conservation and Development issued a series of answers to charges made by the North Carolina Wildlife Federation.

It was the first public utterance of the board since the Federation failed in 1945 to have the State Division of Game and Inland Fisheries separated from the State Department of Conservation and Development.

In the interim, the Federation has advanced many arguments as to why it contended the division should be separated. The board until its meeting here stood mute. Thus the issue, pro and con, was brought into the open, heralding what probably will be one of the major fights in the 1947 Legislature.

The board said that all funds received by the division are used

solely for propagation and conservation of fish and game.

Among other things, the board said:

The state has a well-planned program for propagation and conservation of game and fish; an unusual decline in quail has occurred in the last two years because of natural reasons; the cost of hunting licenses were increased last year, primarily to acquire more lands and waters for wildlife and fish; there are approximately 100 well trained game wardens in the state; that game wardens check as many hunters and fishermen as they can, but the public should cooperate more; fish have been provided for private waters; that more than 100,000 copies of law booklets and extracts covering regulations were channeled to outdoor-men, and other articles appeared in papers and magazines; and that serious efforts have been made to prevent the practice, by some hunters, of hunting quail out of season.

Two Softball Leagues Start Play In Canton

The ten teams competing on Canton's softball diamond have been re-organized into two leagues and a new schedule has been drawn to provide stronger competition among them.

Two of last week's games will go on the records and Thursday the regular schedule went into effect, with a game between teams of each league booked for each regular playing night.

Clyde, Candler, Smathers' Hill, and the "Y" Service club will compose the American league, and six teams, the R. & A., American Legion, Woodyard, City, Ridgeway, and Cabe's will make up the National league. Each team will play two games per week.

Last night Clyde was scheduled to play Smathers' Hill, and for the second game, Cabe's was to meet the Woodyard.

Tonight's schedule calls for the Service club to meet Candler, and the American Legion to play the City.

If the Tigers continue in the pennant race Detroit officials expect to set a new American league attendance record.

Two Softball Games On Schedule Again Tonight

Youth Club Meets
High School For
Opener, And Pet Plays
Dayton in Nightcap

Two games of the W. H. L. Softball league are scheduled for tonight, starting at 7:15, when the Youth Club meets High School. This game should prove scrappy, as the two teams are composed of the high school ages.

The second game tonight will be between Pet Dairy and Dayton. Thursday night the first game will be between Unagusta and the Veterans, and the second game between the Boosters and Pet Dairy.

Friday's games will see the Lions meeting the Tannery, and Dayton meeting the Youth Club for the second game of the night. Last night Unagusta was to meet the Lions in the opener, and the Tannery was to play the Boosters, with weather permitting.

Edwin McClure On Five-Day Leave Here

Edwin E. McClure, S.K.D. 3/c, has reported back to his ship for his next assignment on the USS Tarawa, which is now anchored at Portsmouth.

He recently spent a 5-day leave here with his parents, Mr. and Mrs. Glenn McClure of route one.

Young McClure entered service in March, 1945, and took his boot training in Sampson, N. Y., and was later assigned to sea duty in the Atlantic.

Pulpwood Freight Rates Will Be Raised 5 Percent

RALEIGH—The State Utilities commission issued orders last week permitting railroads to increase their intrastate rates on pulpwood and firewood by five per cent.

At the same time the commission served notice on "representatives of the pulp and paper industry and shippers and carriers of pulpwood" that it is preparing to make an investigation of pulpwood rates to determine whether present rates "are adequate to the present day needs of the industry and the carriers of this commodity."
