ROY PARKMAN

Welcome To Our New Home - - -

We deeply appreciate the many compliments already passed on our new and enlarged store.

This new store, with lots more room, new fixtures, and a better display of every department, is the result of many month's of careful planning and hard work. We too, are proud of the results.

We have larger stocks, better displays, more lighting, and in fact, everything that will make your shopping easier and more profitable here.

This morning we are holding our formal "house warming" and we would be most happy to have you and your family and friends visit us. While this is not a sales promotion, we will have a number of scarce items on sale (as long as they last) and again on Saturday morning we will have a very, very special item on sale at ten o'clock.

We will be looking forward to seeing you Friday.
