When The Fish Begin To Bite

WHEN it's time to get fishing tackle ready for the season, it's also time to get your car ready for summer driving. Complete Sinclair-ize-for-Summer Service does that job as your car manufacturer recommends. It includes correct lubrication of chassis, motor, transmission, rear axle and front wheels. Your battery, tires, cooling system, spark plugs, oil and air filters are thoroughly checked, too.

So when the fish begin to bite, let that be a reminder to you...have your car Sinclair-ized-for-Summer by your Sinclair
