

Hazelwood Wins, Boosters Lose Holiday Game

Champion Y Falls 11-1 To Hazelwood

Smith, Milner And Shook Lead Hazelwood Battaing Attack July 4th

Before the large holiday audience at the high school grounds July 4th, Hazelwood turned loose its batting attack in the early innings against Canton and by the time the game was over had racked up a 11 to 1 score.

Champion Y squeezed Rogers home on Spence's double the first inning and got men on base each of their nine times at the plate but Bud Blalock remained in control throughout, spaced Canton's seven hits into six innings and after the second stanza the game was in the bag for Hazelwood with an 8 to 1 lead.

Jack "Sheriff" Smith led Hazelwood's attack with four hits for five times at bat, Bill Milner got three for four, and Erwin Shook, three for five, Champion Y swapped Rogers and Grogan between first and the pitcher's mound but Hazelwood was far enough ahead to send in subs the last few innings of play.

Both teams fumbled the ball, Canton making six errors and Hazelwood three, but the local nine tightened up every time a Champion player got to third base. Blalock rapped off a triple, straight field and scored two men in the second, and Rogers and Grogan led the visiting batters with two hits each.

Lions Meet High School, Pet Plays Youth Club In W.H.L. Games Tonight

Dayton, Tannery And Veterans Win As Expected During Past Week

Tonight's softball schedule brings out all four second division teams in a scrap between each other. The opening tilt will be between the Lions and High School, followed by Pet Dairy taking on the Youth Club.

The games Thursday brings Unagusta in contact with the Tannery, with Pet Dairy meeting the Veterans in the nightcap. On Monday night Dayton was to open against the Veterans and the Boosters were to tangle with the Youth Club.

Games during the past week went as expected, with Dayton, the Tannery and Veterans turning in winning scores, and Unagusta getting the benefit of a default from the Lions.

Wednesday night, playing games postponed from June 21, Dayton took a close 5-4 win over Pet Dairy behind the 12 strikeout pitching of J. Phillips. Trailing the daymen until the sixth, Dayton took the lead when Jaynes doubled with two men on to bring in the winning runs.

In Friday night's opening game, the Veterans ran 11 men home to 3 for the Lions. Carswell held the Lions to five hits. The Tannery plowed under the High School 6-1 in the second game, the school team getting only two safeties from R. Robinson's offering, 11 men striking out.

Large Crowd Sees Thrill Packed Game

Boosters Load Bases But Fail to Overtake Slim American Legion Lead

A thrill-packed softball game was played before the largest crowd ever to turn out for that sport in Haywood county when Canton's American Legion combination handed the W.H.L. league-leading Boosters their first loss this summer, 2 to 1, in the July 4th exhibition at the High School field.

Playing nine innings by pre-game agreement, the score was tied at 1-1 by the third and it was the eighth before the tension broke. Sutton, the Legion's catcher, singled and later advanced to third on a wild pitch. When Dewese grounded to second, the toss home was too late to nip the Canton winning run.

Three times, in the seventh, eighth and ninth innings, the Boosters loaded the bases. But the visiting nine were playing errorless ball behind "Nazi" Miller's excellent pitching, nine strikeouts during the game and the Boosters were unable to push across the needed runs.

Putnam allowed only six hits to Canton and sat down two by strikeouts. However, as luck would have it the bases were empty when Bud Blalock knocked a home run for the Boosters, only score early in the game.

The Legion's first tally was made when T. Rhea tripled in the third and was brought home by Sutton's single. Canton's batting attack was held down by several outstanding fielding plays, both in the Booster infield and outfield.

Boosters Trip Legion 14 to 1

Revenge Is Sweet As Boosters Win At Canton Sat.

Getting sweet revenge for their July 4th defeat, the Boosters turned loose a batting attack that Canton's American Legion softball experts could not handle Saturday night on the Champion Y field and won 14-6 in another fast and furious game.

Starting out on even terms, the game was tied at 2 runs a piece by the second inning, but the score balance exploded when Bud Blalock knocked a home run with the bases loaded. The Booster attack was maintained the remainder of the game, with "Pig" Troutman and Oliver Yunt rapping out home runs as well.

Bronson Robinson pitched an excellent game for the W. H. L. league leaders as they evened the records with the top notch Canton nine. Both teams were powerful, and Flossie Dewese rounded the bases after a long smack through the outfield for the outstanding Legion hit of the game.

SPEARHEADING

With SPORTS

By ED SPEARS

EVERYONE seems to agree that the Fourth of July celebration was a big success. There was something for everyone to enjoy, and it was heartening to notice the big turn-out for the sporting events. The baseball game was a better one than the score indicated, but with Hazelwood getting their usual lead early in the game the spectators accepted the verdict and remained less noisy than a crowd that size usually does. This wasn't so for the softball game, and fans should keep in mind that the Hazelwood team will need and deserve a lot of good support in the stands when they tangle with Beacon Mills here July 27th.

ALTHOUGH the games weren't for league records, a couple of Hazelwood players would be happy if they were. "Sheriff" Smith's double and three singles for four times at bat would put his standings up in the air. And everyone who has watched Oliver Yount's smooth fielding out in the left pasture was happy to see him make connections for a safety when leading off against Champion Y in the third inning. Erwin Shook and Bill Milner returned to the lineup and gave a good performance in the field as well as adding power to the attack.

LAST Wednesday night the Lions were able to bring only three regular players to the field, and had to forfeit to Unagusta, granting them a 9-0 for the records. However, their honor at stake, the Lions borrowed six spectators and played a five-inning tilt against Unagusta, winning 14-7. Perhaps they were giving a hint to the Youth Club on how it can be done.

PIGEON RIVER, Fines Creek, Cataloochee and Jonathan Creek are listed in the "Fishing and Hunting Guide to North Carolina" which Esso has just issued. The booklet starts out with "North Carolinians are the finest fishers people on earth—and with

good reason." Then it starts telling the reason and where to find the fish. It surveys the hunting prospects as well, listing Haywood county as a "fair" source of quail, grouse, and bear, and "some" deer on hand. There's only one catch—it just doesn't say how to get them.

HOWEVER, local anglers are not having too much trouble now that the fish strike has ended. The county game warden, Rufus Rateliff, spent last week-end in the Sherwood Forest area. Everyone he met, including a couple without license, was having good luck with the fish, that is. He was up there to help restock the streams, but found time out to drop a line in the water and pulled out the limit within a few hours. Fellows whose stores close Wednesday afternoons are reminded that July 10th is an open date on the Big and Little East Forks of Pigeon as well as the Park Streams and unprotected lakes. They may still be biting.

ELEVEN golfers stayed in the 70's in the men's Fourth of July tournament, seven regular customers and four visitors. . . . The Country Club has given up their intentions of opening the Belle Meade swimming pool, being a wee bit scared of polio. . . . Baseball has revived to such an extent after the war that North Carolina now has 33 clubs in professional or semi-pro leagues. . . . Sammy Snead took the British open golf championship Friday for the first American to win the title since 1933.

GENE WYKE has turned over duties as state Game and Inland Fisheries publicity director to Tom Walker, who in the future will write "Rod and Gun" data. From Raleigh, Mr. Walker will continue to give the interesting round-up of hunting and fishing news in the column. Mr. Wyke has entered private business in Asheville.

24 Inch Rainbow Landed Saturday By Wayne Rogers

When Wayne Rogers hooked a 24 inch rainbow trout at Cataloochee Creek last Saturday afternoon, it took a 20 minute battle with the help of three other men to land one of the fightingest fish ever pulled from that creek.

Wayne, who lives at Lake Junaluska, Floyd Woody of Canton, and Hugh Rogers of Clyde were following the usual pastime at Cataloochee, with few other fishermen along the creek at the time. Everyone was having good luck, which was pleasing to the ranger, Mark Hannah, who had seen too many anglers disappointed during recent week-ends.

In the old swimming hole Wayne felt the two-foot trout take his fly. Floyd and Hugh came to help him, Mr. Woody falling in the stream a couple of times as the big rainbow pulled and leaped in trying to get away. Mr. Hannah told them to hold everything, and took off in his car the quarter-mile back to his house for a landing net. When he returned several minutes later, they pulled the fish in, as red a trout as any had ever seen.

It seemed to be Wayne's lucky day. At the Harley Hole near the ranger's house he brought in a 19 1/2 inch trout as well. All three fishermen took in their limit and went home completely satisfied with the day's work. Floyd, who used to live at Cataloochee, says the fishing is as fine there as it ever was, and a 24 inch trout is proof enough for anyone.

Runners, Cracker Eaters, Hog Callers Win Prizes

In contests to determine the fastest runners, fastest eaters, and loudest hog callers in Haywood county, the Fourth of July provided considerable amusement to the crowd at the High School grounds. Coaches C. E. Weatherby and Carl Rateliff directed the events, and announce the following winners:

Fifty yard dash for boys, 9-12, Eugene Sutton; 50 yard dash for girls, 9-12, Dorothy Bridges; 100 yard dash for high school boys, Jimmy Gentry; 100 yard dash for veterans, Bill Rogers.

J. W. Carnes, at 76, won the title of "Oldest Man in Audience." Richmond Bridges had the largest family all present. The cracker eating contest was won by Phyllis Goodenuff, and F. E. Kuykendall was a close shave ahead in the bald-headed contest.

The three-legged race for boys, 9-12, was won by Jimmy Kuykendall and Mark Rogers, and for the boys of high school age by David Gibson and Johnny Miller. In the saddle-back race the team of David Gibson and Johnny Miller again turned in a victory.

Rufus Mintz won the prize for bringing the largest crowd on a single truck, and Dave Boyd took honors in the hog calling contest. In the softball base running, Eugene Sutton repeated in the younger boys event, Johnny Miller took another prize against the older boys, and Sam Lane was the fastest from the Hazelwood ball club. Clarence Cullins was the winner of the 50 yard race for colored boys.

Martel Baseball Game Rained Out

Saturday afternoon's baseball game between Martel Mills and Hazelwood was postponed due to the High School field being too wet for play. All other Industrial League games, however, were played, with Ecusta taking its game from Canton, Beacon Mills losing to Enka, and Sayles winning over Green River.
