Kaiser Given Right To Make French Car

Henry J. Kaiser has acquired the production rights in the United States of the latest front wheel drive French car, the French News Agency announced.

The Agency said the largely aluminum car will weigh under 1,000 pounds, will have a maximum speed of 55 miles an hour, and will travel 60 miles on a gallon of gasoline.

WE CAN KEEP YOUR CAR ON THE JOB...

Your car did a good war-time job but with advanced age it will need reconditioning and continued maintenance to keep running during reconversion.
