The Church is the greatest factor on earth for the building of character and good citizenship. It is the source of spiritual values. Without it we have neither democracy nor civilization. There are four sound reasons why every boy should attend and support the church. They are: (1) For his own good. (2) For his children's sake. (3) For the good of his community and nation. (4) For the good of the world which needs the moral and spiritual leadership of the church.
