A BABY crying for an hour uses as much energy, we're told, as a person climbing to the top of a tall building. This, of course, doesn't include the energy used by Pop walking the

A statistician has determined there are 27,000 beans in a bushel. Now someone will want to know whether he means string or navy.

A new radio loudspeaker can be heard a distance of 18 miles. What we need is a movement to make the world safe for the average eardrum.

International diplomacy seems

to be full of cutups these days. Now it is Palestine the boys want to partition.

Space travel may have its drawbacks. For instance, supposing just after the take-off one discovers he has boarded the wrong rocket.

A British Columbian cut down a 180-foot high hill to improve the view from his house. There's one chap who made a molehill out of a mountain.

That Newfoundlander who was nipped on the nose by a codfish probably never again will ask: "How are they bit-

Noble Garrett, HS 2/c Reports to Charleston

Noble Garrett, HS, second class, U. S. Navy has reported to the Naval Hospital, Charleston for a new assignment after spending a ten days leave here with his par-

Young Garrett volunteered in the service in May, 1945, while he was a student and was sent to Bambridge. Md for his boot train-I pen completion of boot he was assigned to the naval hospital at Bethesda, Md.

After his four of duty at Bethesda, he was sent to a naval hospital on Mare Island, Hawaii, where he spent eight months, having only recently arrived in the

Jimmy Ellwood has returned to town from a trip to Richmond, Va., where he visited his sister, Miss Mary Lou Ellwood.

Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-tased and fail to filter excess acid or the property of th nd other impurities from the life-giv.ng

blood.
You may suffer nagging backache, beadache, disziness, getting up nights, leg pains, swelling feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent orthation.
