

Curtis Takes Open Crown 2-Up Over McKenzie

Burrell's All-Stars Boosters Monday

quad roster includes:
Sam Lane, Elmer Dudley, W. and Bronson Robinson from the Tan-
nery, Troutman and Harris of the
VFW, Glenn Wyatt, Whitener,
Messer and Arrington from Dayton.
T. Woodward and Prevost of Un-
agusta, Ratcliff, Phillips and Smith
of the Lions, Shook from the High
School, Whisenand of the Youth
Club, Hall and Milner of Pet Dairy.
Immediately after the game the
Boosters will receive their cham-
pionship trophy. President L. N.
Davis of the W. H. L. league will
make the presentation.
No admission will be charged at
the gate, but a collection will be
taken from among the customers to
help defray league expenses. All
persons interested in seeing an ex-
cellent ball game—the last soft-
ball here this summer—are urged
to make a date for Monday night
at 8.

Downs Boosters, Y-The Vets In Softball Tourney

Monday night the Vet-
erans played a tight game against
Champion Y, losing 5-3.
Thursday night the Tannery,
which had drawn a bye in first
round competition, was schedu-
led to play the "Y" Service team in
a quarter-finals tilt. The winner
of this match would face the Bry-
son City-American Legion (Canton)
winner in the semi-finals tonight.
Champion Y and Candler will
face each other in the semi-finals
tonight. The finals will be played
tomorrow night.
Hazelwood's local top team were
held in hand Wednesday by George
Turbyfill, Candler's ace mounds-
man. The usually heavy-hitting
Boosters were unable to connect
with his tosses, while the Candler-
ites got hot against Bob Putnam.

Last 3 Holes Give Charles Hazelwood Meets Martel Saturday

T. V. McCaul of Miami Is Second Flight Winner, Merris Is Third

Charles (Chin) kept the Waynes-
ville Country club invitation to
last championship at home after
an 18 hole final with D. H.
McKenzie of Asheville, turning the
tide in the last three holes to win
two-up.

The finalists finished their first
nine tied in, Curtis taking the sec-
ond, third and seventh, and Mc-
Kenzie the fourth, sixth and ninth.
They broke even until the 17th
hole, when McKenzie jumped ahead
with a par four to Curtis' five. Mc-
Kenzie went on over par and
Curtis evened the score. The
Waynesville linksman then took a
birdie two on the 17th to go one-up
with one to go, and with two long
drives, an excellent iron shot made
another birdie four on the 18th
while McKenzie's second drive went
slightly into the rough and it took
four to get on the green.

T. V. McCaul of Miami defeated
J. L. McConnell four and three
for the second flight championship.
John E. Merris of Ft. Lauderdale
was one-up winner over Ben Mc-
Caul for the third flight title.
Luther Curtis, qualifying medal-
ist, won 3 and 2 over Dr. G. R.
Saunders of Asheville, in the first
consolation flight, and Doyle Ro-
gers of Ft. Lauderdale, was one-up
winner over Bob Allen of St.
Petersburg, in the second consola-
tion flight.

Mr. McKenzie came to the finals
after defeating Luther Curtis 2 in
1 in his first match, Leo Brown-
ing (who won 3 and 1 over Jimmy
French in the first round) fell next
five and four and out-stroked
Charles Putnam 4 and 3 in the
semi-finals.

Charles Curtis, meanwhile, had
defeated R. G. Saunders 6 and 5,
L. G. Abbott 5 and 4, and Robert
Allen, Jr., one-up after a 19 hole
duel to reach the title playoff.
The second flight finals brought
to the links T. V. McCaul, one-up
winner over Doyle Rogers, Ben
Franklin, and C. E. Farrington.

53 Turn Out For Football Practice At High School

Grid Candidates Begin Conditioning With Impressive Show Of Spirit

If numbers and spirit are any in-
dication of success, the Waynes-
ville football team will be a
tough one to beat.
Fifty-three players and coaches
turned out for the first practice
at the high school on Saturday
morning. The team was led by
Coach C. E. Farrington. The
players showed a fine spirit and
were well conditioned for the
season. The team will be in
action on Monday night when
they will meet the local top team.
The team is expected to be a
strong one this year.

Dayton And Pet Pull Upsets Over Top Nines

Dayton Defeats Tannery And Pet Dairy Rolls Up Big Score On Unagusta

Going into the home stretch the
Dayton Rubber and Pet Dairy
teams pulled surprises out of their
respective hats by upsetting the
Tannery and Unagusta early this
week.

Dayton, Tuesday night winner by
a lengthy 17-4 score over the
Tannery, was slated to meet Unagusta
last Thursday night to open the
final game on the W. H. L. league
schedule. The High School and
Veterans would tangle in the sec-
ond game and a loss by either
Unagusta or the Vets would put
the other team in third place
standing—ending their present
run.

On Monday night the Lions and
Youth Club fought neck and neck
through the last inning. Going into
the ninth tied at five-up, the Lions
scored five men, then had a fight
on their hands while the Youth
Club scored four, giving the Lions
a 10-9 win.

Then Pet Dairy turned loose on
Unagusta. The Lumber Makers
went behind early, but tied the score
when they took their turn at bat
in the ninth. But Pet managed
to get their one man home when
they came to the plate, winning the
game 8-7.

The High School, in Tuesday
night's first game, fell 10-3 to the
Boosters, Putnam giving them only
four hits. Then in the second
game Dayton gave the Tannery a
big tumble, getting better as the
game progressed until they upset
the league runners-up 17-4.

SPEARHEADING

With

SPORTS

By ED SPEARS

The Haywood County Fox Hunt-
ers association are to be congrat-
ulated on putting on such a success-
ful Bench Show, drawing entries
from as far away as Clemson Col-
lege, S. C., from Georgia and Ten-
nessee. There were hounds all
over the high school grounds, big,
little, lean hunting dogs and sum-
mered pointers and setters. The
competition was keen, and Ross
Alexander had a job on his hands
selecting the best ones while the
owners eyed him stoically, rub-
bing the underside of their entry,
keeping its neck and tail in the air
to show the dog to best advantage.
All the dogs seemed well-behaved
and quiet; though there would sur-
ely have been a melodious cry rend-
ing the afternoon air had a fox
taken off across the field. After
the show, reports Jim Killian,
there were 33 new members added
to the county group, bringing its
membership up to 164.

NOTES from the Canton High
football training camp: Coach C. C.
Poindexter has 30 players working
out now, but is looking for a large
increase with the finish of soft-
ball and start of school (Sept. 4).
The Black Bears are getting in
shape during the evening hours,
from 6 until 7:30, but will take their
work-outs in the afternoon when
school begins. Only 12 letter men
so far have reported to Coach Poin-
